**Routledge Handbook of Football Business and Management** Simon Chadwick, Daniel Parnell, Paul Widdop, Christos Anagnostopoulos, 2018-11-19 Soccer is the world's most valuable sport generating bigger revenues as well as being watched and played by more people than any other. It is virtually impossible to understand the business of sport without understanding the football industry. This book surveys contemporary football in unparalleled breadth and depth. Presenting critical insights from world leading football scholars and introducing football's key organisations, leagues and emerging nations, it explores key themes from governance and law to strategy and finance as well as cutting edge topics such as analytics, digital media and the women's game. This is essential reading for all students, researchers and practitioners working in football sport business, sport management or mainstream business and management.

**The African Film Industry** UNESCO, 2021-10-01 The production and distribution of film and audiovisual works is one of the most dynamic growth sectors in the world. Thanks to digital technologies, production has been growing rapidly in Africa in recent years. For the first time, a complete mapping of the film and audiovisual industry in 54 States of the African continent is available, including quantitative and qualitative data and an analysis of their strengths and weaknesses at the continental and regional levels. The report proposes strategic recommendations for the development of the film and audiovisual sectors in Africa and invites policymakers, professional organizations, firms, filmmakers and artists to implement them in a concerted manner.
