Being A Green Mother Book Five Of Incarnations Of Immortality:

BEING A GREEN MOTHER Piers Anthony,1993 **Being a Green Mother** Piers Anthony,2012-02-14 Orb had a rare gift the magic which manifested whenever she sang or played her harp No one could resist her music But she knew that greater magic lay in the Llano the mystic music that controlled all things The quest for the Llano occupied Orb s life Until she met Natasha handsome and charming and an even finer musician But her mother Niobe came as an Aspect of Fire with the news that Orb had been chosen for the role of Incarnation of Nature The Green Mother But she also warned of a prophecy that Orb was to marry Evil Could she be sure that Natasha was not really Satan the Master of Illusion laying a trap for her

On a Pale Horse Piers Anthony,2012-02-14 In this first novel of the Incarnations of Immortality Piers Anthony combines a gripping story of romance and conflicting loyalties with a deeply moving examination of the meaning of life and death This is a novel that will long linger in the reader s mind Shooting Death was a mistake as Zane soon discovered For the man who killed the Incarnation of Death was immediately forced to assume the vacant position Thereafter he must speed over the world riding his pale horse and ending the lives of others Zane was forced to accept his unwelcome task despite the rules that seemed woefully unfair But then he found himself being drawn into an evil plot of Satan Already the prince of Evil was forging a trap in which Zane must act to destroy Luna the woman he loved He could see only one possible way to defeat the Father of Lies It was unthinkable but he had no other solution **Being a Green Mother** Piers Anthony,1988-09-12 Orb

had a rare gift the magic which manifested whenever she sang or played her harp No one could resist her music But she knew that greater magic lay in the Llano the mystic music that controlled all things The quest for the Llano occupied Orb s life Until she met Natasha handsome and charming and an even finer musician But her mother Niobe came as an Aspect of Fire with the news that Orb had been chosen for the role of Incarnation of Nature The Green Mother But she also warned of a prophecy that Orb was to marry Evil Could she be sure that Natasha was not really Satan the Master of Illusion laying a trap for her **Bearing an Hourglass** Piers Anthony,2012-02-14 Like On a Pale Horse this second complete in itself novel

of the Incarnations of Immortality is a richly imagined and always fascinating story And again Piers Anthony adds to his gripping plot a serious though provoking study of good and evil When life seemed pointless to Norton he accepted the position as the Incarnation of Time even though it meant living backward from present to past The other seemily all powerful Incarnates of Immortality Death Fate War and Nature made him welcome Even Satan greeted him with gifts But he soon discovered that the gifts were cunning traps While he had been distracted he had become enmeshed in a complex scheme of the Evil One to destroy all that was good In the end armed with only the Hourglass Norton was forced to confront the immense power of Satan directly And though Satan banished him to Hell he was resolved to fight on **Night Mare** Piers Anthony,2002-03-26 The danger to Xanth was so great that only a night mare could offer hope The Nextwave of barbarian warriors was invading Xanth from the north ravaging and destroying as they advanced But Mare Imbrium had her own

problems Ever since she had gained the half soul the night mare had begun to mishandle her job of delivering bad dreams Now the night Stallion dismissed her exiling her to the day world with a message for King Trent Beware the Horseman She had no idea what that meant But that was the way with prophetic warnings nobody could understand them until it was too late Then she met the Horseman And she discovered that one who would right a night mare was a master of a bit and spur and not a man to surrender her For the night mare it all began to be a horrible nightmare *Crewel Lye* Piers

Anthony,2002-03-26 A knight of ghosts and shadows Jordan was a ghost in Castle Roogna now spending his time with little five year old Ivy and watching his own past unfold on the magic tapestry But once he had been a valourous knight riding his ghost horse Pook on a fabulous and dangerous mission He had been betrayed with a cruel lie by two wily magicians and the woman he loved He had been killed at the end and his bones had been scattered Now he could not even remember where they had been buried That was important because Jordan s talent had been to recover from almost any injury provided enough of his body could be assembled to grow together again But all that had been four hundred years before Nobody who was alive today knew or cared where his bones might be It was hardly the proper ending for a gallant adventure *A Spell for Chameleon (The Parallel Edition... Simplified)* Piers Anthony,2012-02-14 Piers Anthony s bestselling Xanth series is one of the cornerstones of fantasy a lively and whimsical interpretation of a genre often criticized for taking itself too seriously Anthony s first Xanth novel *A Spell for Chameleon* was initially edited to target a more traditional audience Now in an eBook exclusive *A Spell for Chameleon* has been reworked line by line its language matching the simpler playful way with words that made Piers Anthony an enduring fan favorite Xanth is an enchanted land where magic rules a land of centaurs and dragons and basilisks where every citizen has a unique spell to call their own For Bink of North Village however Xanth is no fairy tale He alone has no magic And unless he gets some and fast he will be exiled Forever But the Good Magician Humfrey is convinced that Bink does indeed have magic In fact both Beauregard the genie and the magic wall chart insist that Bink has magic as powerful as any possessed by the King the Good Magician Humfrey or even the Evil Magician Trent Be that as it may no one can fathom the nature of Bink s very special magic This is even worse than having no magic at all and he still faces exile *Wielding a Red Sword* Piers Anthony,2012-02-15 Here in a fourth complete in itself novel of the Incarnations of Immortality Piers Anthony again combines fascinating magic with a gripping complex struggle between good and evil Mym was a dutiful son but his father the Rajah interfered in his love life once too often Rather than wed without love he took up the Red Sword symbol of office of the Incarnation of War At first he thought his efforts could ameliorate some of the suffering caused by Earth s constant petty wars But he found that behind all his involvement were the clever traps of Satan When seeming mischance placed him in Hell Mym organized a great rebellion among the Damned And Satan seemed to capitulate But free again Mym learned that Satan had been busy stirring up riots and war Now it seemed things had gone too far and Satan must surely win There was only one desperate chance **Blue Adept** Piers Anthony,2009-06-03 In this brilliant

continuation of the epic adventure that began in Split Infinity Piers Anthony again proves himself a master of both fantasy and science fiction For Stile life was a matter of shuttling madly between two worlds with the problems growing greater on each On the science world of Proton he was a serf trying to prove his right to exist by competing in the Great Games On Phaze where only magic worked he was the Blue Adept trying to master the powers of sorcery And on both worlds someone was trying to assassinate him Aside from winning increasingly difficult contests with no time to prepare all he had to do was win the love of the Lady Blue fight a dragon discover the ultimate weapon and of course seek the paranoid Adept or the all powerful Citizen who was trying to kill him And now just when things were growing impossible he had to fight a mortal duel with the unicorn Herd Leader against whom his magic powers were useless
