Beyond Failure A Journey To Self:

Beyond Failure Connie Lynne, 2015-10-18 Through a series of true personal stories experiences and insights *Beyond Failure* takes you on an emotionally filled journey from difficult beginnings through reflections to face your own setbacks your own failures and travel beyond to the realization that your own potential can be achieved and surpassed Connie Lynne has painstakingly documented and dissected her encounters with failure extracting the hidden lessons creating an invaluable resource regarding mistakes setbacks and insecurities Most of us wish we could improve things about ourselves However change is difficult especially if we don't know what we want to change *Beyond Failure* is a self help reflection of possibilities filled with concise and thought provoking down to earth true stories and dissections about the universal affliction we call failure From the Author I have FELT LIKE A FAILURE most of my life Even as a child like many children I felt alone in my humiliation I didn't want to accept what deep down I knew to be true That I was flawed What exactly was I doing that kept me locked in my shameful prison I needed to know what I did not know And thus began my transformational journey As I stumbled forward my ignorance combined with my false assumptions and self doubt prolonged my painful pursuit I used the light of truth to guide me however this proved to be a challenge as I will elaborate on throughout these pages The reflection of light had to come from within me not from outside of me I was scared This was a new reality My light was barely visible I began questioning my self imposed labels transformation followed What appeared to be my largest stumbling blocks were in fact my future stepping stones Within the rubble of my failures I found what I was seeking Failure was not what I thought My journey brought me to a crossroads I found myself at a junction where I could either continue in my futility or change my paradigm In my weakness overwhelmed by the burden of my failures I gave up In the depths of my despair shrouded in darkness I surrendered No longer could I pretend to know what I did not know Everything around me everything in my experience was a reflection of what I had been focusing on I had been the author of my own predicament I had mistakenly smothered my own success Freedom from failure lay before me Liberated I embraced my vulnerability and a miracle began to unfold Within *Beyond Failure* are some of the more memorable lessons insights and understandings I have gained through close examination of my own personal setbacks

Beyond Failure Tony Fisher, Eve Katsouraki, 2018-10-09 In setting foot on stage every performer risks the possibility of failure Indeed the very performance of any human action is inextricable from its potential not to succeed This inherent potential has become a key critical trope in contemporary theatre performance studies and scholarship around visual cultures *Beyond Failure* explores what it means for our understanding not just of theatrical practice but of human social and cultural activity more broadly The essays in this volume tackle contemporary debates around the theory and poetics of failure suggesting that in the absence of success can be found a defiance and hopefulness that points to new ways of knowing and being in the world *Beyond Failure* offers a unique and engaging approach for students and practitioners interested not only in the impact of failure on the stage but what it means for wider
