Sweet Surrender Dennis Hiebert, 2013-07-09 Every culture has a way of perceiving and practicing marriage Many contemporary Western Christians mistake what their culture

prescribes regarding marriage with what the Bible portrays and thereby take as biblical what is merely cultural. Uncritical conformity to cultural imperatives of marriage then becomes a Christian virtue and a sweet surrender. Few recognize much less question this confusion even when its consequences are unhealthy. In *Sweet Surrender*, Dennis Hiebert challenges Christians to comprehend what is cultural in their view of marriage, hold as optional what is not explicitly required by the Bible, and live out their marriages within the transcendent grace of God. Gaining greater awareness can free marriages from the control of culture for something more simply but deeply Christian. Marriages benefit when they are released from cultural directives that are not biblical callings even if they choose to retain them as cultural practices. This book is for Christians who are ready to rethink their assumptions about marriage.
