The Marvel and Miracle of Advent Bible Study Guide plus Streaming Video Christine Caine, Lisa Harper, 2024-09-17 Jesus arrival on earth changed the course of history forever Not only for those who lived in the first century but for those of us in the twenty first century as well The miracle and marvel of the Advent season demonstrates that we are precious to Him He's not a distant God He is Emmanuel God with us That includes wherever you are right now Throughout the Old Testament we find descriptions allusions prophecies and even foreshadowing of the long anticipated Messiah The Messiah is Jesus whose purpose and promise was not limited by His humanity In this Bible study you will learn that it's not your behavior that earns the kindness of a holy God it's the presence of Jesus coming to Earth to be with you always Join Christine Caine and Lisa Harper this Advent season for a four session video Bible study like no other Your hope and spirit will be revived as you recapture the wonder of Jesus obvious love for you You'll discover that Advent is not only a season of waiting and preparation but also it's a season of action to share the hope of Jesus with everyone *Minor Prophets II (Understanding the Bible Commentary Series)* John Goldingay, Pamela J. Scalise, 2012-07-01 The Minor Prophets are those dozen Old Testament books that in the time of Jesus were usually written on one scroll since they were all fairly brief The late Elizabeth Achtemeier prepared the New International Biblical Commentary on the first six Hosea Joel Amos Obadiah Jonah and Micah This second volume deals with the final six books John Goldingay writes on Nahum Habakkuk Zephaniah and Haggai Pamela Scalise takes on the longest Zechariah and the last Malachi Like the authors of other volumes in the NIBC Goldingay and Scalise utilize what is referred to as believing criticism when examining the biblical texts Based on fidelity to critical analysis and sensitivity to the faith of both ancient and contemporary readers this balanced approach enriches both the academy and the church Following the series guidelines the authors clearly explain the texts with additional notes regarding interpretation and practical reflection For example Goldingay issues a reminder that when the prophets spoke against the arrogance and sins of Assyria and Babylon the Israelites needed to hear the word of God as a caution against their own pride and wickedness He goes on to suggest that modern readers must remember as well that the

same attitudes and actions that led to the downfall of these ancient Middle East empires can fall upon any and all who follow their example The New International Biblical Commentary offers the best of contemporary scholarship in a format that both general readers and serious students can use with profit Based on the widely used New International Version translation the NIBC presents careful section by section exposition with key terms and phrases highlighted and all Hebrew transliterated A separate section of notes at the close of each chapter provides additional textual linguistic cultural and technical comments Each commentary also includes a selected bibliography as well as Scripture and subject indexes *Bible Reading Survival Guide* Len Liptack, 2013-04-19 We can easily be overwhelmed by the Bible We may try to read it only to find ourselves stuck in a confusing book or chapter Included in this guide are brief explanations of how the Bible came to be written and how the books were collected together and later declared to be Holy Scripture by the church You will discover several outlines of the story of the Bible to help orient you to the flow of the narrative You will find four reading plans that will take you through the sweep of the biblical story at varying levels The reading guide in chapter two acts as a running commentary through the reading plans The last chapter succinctly discusses resources and methods for diving deeper into a book or passage of the Bible This guide will help you begin a life long habit of reading the Bible **Shepherd's Notes: Jonah/Zephaniah** Paul Wright, 1999 One in a series of books comparable to Cliff s Notes Here each volume highlights the major points from one or more books of the Bible *An Introduction to the Old Testament* Tremper Longman III, 2009-05-26 An upper level introduction to the Old Testament that offers students a thorough understanding of three key issues historical background literary analysis and theological message This second edition of *An Introduction to the Old Testament* integrates recent developments in Old Testament scholarship It has many distinctive features that set it apart from other introductions to the Old Testament It s committed to a theologically evangelical perspective Emphasizes special introduction the study of individual books Interacts in an irenic spirit with the historical critical method Features points of research history and representative scholars rather than an exhaustive treatment of past scholarship Deals with the meaning of each book not in isolation but in a canonical context Probes the meaning of each book in the setting of its culture Including callouts charts and graphs *An Introduction to the Old Testament* is written with an eye to understanding the nature of Old Testament historiography Perfect for seminary students professors and Bible teachers and ministry leaders as well as anyone looking for an in depth and balanced approach to Old Testament study *Defining the New Testament Logia on Divorce and Remarriage in a Pluralistic Context* Yordan Kalev Zhekov, 2009-01-01 Christian marriage is a permanent union which requires the commitment of both spouses for its maintenance through fulfillment of its stipulations The failure of the fulfillment of the latter provides legitimate grounds for divorce and remarriage of the innocent party This work employs a fourfold approach for the development of NT ethical argumentation based on Richard B Hays Moral Vision of the New Testament The author establishes the proper contextual grounds for the NT study through formulation of the Old Testament perspective on

marriage as covenant The relevant NT passages are examined through historical critical and narrative critical methods A critical study of the main Christian traditions leads to an ecumenical formulation of the theological conclusions Pragmatic implementation of the thesis follows an examination of the contemporary pluralistic context and applications in both Christian communities and the larger society within its legislative system *Bible: the Old Testament, Part II: Ezra - Malachi* Marilyn Donald,2013-12-10 The KJV 2012 contains the original text from the Authorized King James Bible with defining notes compiled by Marilyn Donald These notes provide definitions from Strong's Concordance and insights from many modern Biblical scholars *A Young Person's Guide to Christianity* R. Douglas Wardrop,2014-09-20 R Douglas Wardrop believes that most books describing Christianity are filled with errors and are boring This book is biblically accurate and is never boring It uses strong graphics and colorful presentations combined with simple language It is also fairly short and can be read through quickly A Young Person's Guide to Christianity provides a fairly complete description of Christianity and will appeal to young people from about seven years old to late teens The book guides them on how to become born again Christians Key Christianity beliefs are defined and important questions are answered in a way that is biblically accurate The Greatness of God is described in two ways 1 Using items such as a bowling ball grass sand and a mustard seed strong image ideas are given to show how vast God's creation is 2 Using scientific information for distances within our solar system the time taken for the fastest jet airliner and light to traverse these distances is shown in a strong graphical way These distances begin with the distance from New York to London and end with the distance from the Earth to the sun Again the aim is to show how vast is God's creation God's main promises to you are given with the main aim to make these promises real and personal to you A Young Person's Guide to Christianity defines how you can begin your Christian life and a prayer for this is included **Malachi's Use of Joel's Day of the Lord** Petronio M. Genebago,2023-07-07 The Day of the Lord texts of Malachi Mal 3 2 7 4 5 demonstrate that he seems to allude to Joel's Day of the Lord 2 11 13 31 MT 3 4 Malachi's Day of the Lord seems to have a strong inner biblical relationship with the Day of the Lord motif of Joel A significant interpretive loss is committed when allusion is recognized in the source text but ignored and not explored Thus the passages themselves call for an inner biblical allusion study In addition the interpretive significance of Joel's Day of the Lord in Malachi has not been investigated comprehensively as the review of literature and intertextual and inner biblical studies on Malachi validated Thus these are the interrelated questions a What are the criteria to verify the inner biblical connection between Malachi and Joel on the Day of the Lord b How did Malachi use Joel's Day of the Lord motif c How did Malachi develop the Day of the Lord theme in his book There are three purposes of this study The first is to identify objective criteria to verify the inner biblical connection between Malachi and Joel on the Day of the Lord The second is to determine how Malachi used Joel's Day of the Lord motif The last is to ascertain how Malachi developed the Day of the Lord theme in his book
