Apollo Root Cause Analysis - A new way of thinking

The more we know, the more we realize that we don't know.

As every time we ask "why", and proceed along a cause path, we come to our point of ignorance.

At this point, we no longer have answers, but that is only due to limitation of our knowledge & understanding of the phenomena in hand.

This premise says that each cause effect chain extends up to infinity; hence denies the existence of "Absolute root cause"

Apollo Root Cause Analysis A New Way Of Thinking:

Apollo Root Cause Analysis Dean L. Gano, 2008 The purpose of this book is to share what the author has learned about effective problem solving by exposing the ineffectiveness of conventional wisdom and presenting a principle based alternative called Apollo Root Cause Analysis that is robust yet familiar and easy to understand This book will change the way readers understand the world without changing their minds One of the most common responses the author has received from his students of Apollo Root Cause Analysis is they have always thought this way but did not know how to express it Other students have reported a phenomenon where this material fundamentally re wires their thinking leading to a deeply profound understanding of our world At the heart of this book is a new way of communicating that is revolutionizing the way people all around the world think communicate and make decisions together Imagine a next decision making meeting where everyone is in agreement with the causes of the problem and the effectiveness of the proposed corrective actions with no conflicts arguments or power politics This is the promise of Apollo Root Cause Analysis *Apollo Root Cause Analysis* Dean L.
