Apologia Extras:

Extra Series, 1878 *Extra Innings* Doris Grumbach, 2014-12-02 A New York Times Notable Book A moving glimpse of a life shrewdly examined *Extra Innings* follows a year in the life of Doris Grumbach beginning with the release of her previous memoir and journal *Coming into the End Zone* and revealing that the devoted essayist novelist and critic possesses as keen an eye in her seventies as she did when she wrote *The Spoil of Flowers* thirty years earlier Grumbach details each passing month and the trials and tribulations therein Age and experience have tempered her anger allowing her to view the world in a rosier light than she has before In this eventful period that concludes with her move from Washington DC to Maine Grumbach travels between signings and speeches describes her home life in a new state and deals not only with her own mortality but with that of her daughter Grumbach's wisdom and wit endure as she looks back on her own memories seeing the world as only Doris Grumbach can *The American Bibliopolist*, 1869 *The Controversy over the Lord's Supper in Danzig 1561-1567* Bjørn Ole Hovda, 2017-12-04 In 1561 a Eucharistic controversy erupted in Danzig of the sixteenth century sparked by disagreements on the real presence and the practical treatment of the Eucharistic elements It was one of many inner Lutheran struggles over the Lord's Supper in the years following the Reformation and therefore Bjørn Ole Hovda supplements the scientific studies on that topic Different understandings of the presence of Christ during the Lord's Supper formed different religious norms of practice On the one hand the controversy is here analyzed as a discussion on doctrine between opposing ecclesiastical factions set in the context of reformatory theology and liturgical practice The theological discussions had important practical and cultic implications On the other hand and in contrast with the most of earlier works the study seeks to treat with equal seriousness the wider societal and political aspects of the controversy Hovda shows how deeply embedded the Eucharist was within broader discourses of culture society and politics Far from being just an abstruse ecclesiastical matter it was a question of great sociopolitical interest and potency The Eucharist served both as the prime symbol of Christian unity as well as a confessional border stone between rivaling groups Other important aspects of this wider analysis are tensions between the ordained ministry and the city council regarding authority internal social tensions within the city as well as the strategic interests of the city in its relations to the Polish crown the Hanseatic league and the emerging new trading powers among others Through a close study of one particular controversy light is cast on a variety of issues with relevance to the broader field of Reformation studies especially concerning the centrality of the Eucharist

Extra-Vagance James A. Boon, 2021-06-08 In this book James Boon ranges through history and around the globe in a series of provocative reflections on the limitations attractions and ambiguities of cultural interpretation The book reflects the unusual keyword of its title extra vagance a term Thoreau used to refer to thought that skirts traditional boundaries Boon follows Thoreau's lead by broaching subjects as diverse as Balinese ritual Montaigne Chaucer Tarzan Perry Mason opera and the ideas of Jacques Derrida Ruth Benedict Kenneth Burke and Mary Douglas He makes creative and often playful leaps among eclectic texts and rituals that do not hold single fixed meanings but numerous changing and exceedingly specific ones Boon opens by exploring links between ritual and reading focusing on commentaries about the seclusion of menstruating women in Native American culture trance dances in Bali and circumcision or lack of it in contrasting religions He considers the ironies of first person ethnography by telling stories from his own fieldwork reflecting on ethnological museums and making seriocomic connections between Mark Twain and Marcel Mauss In expansive discussions that touch on Manhattan and Sri Lanka the Louvre and the World of Coca Cola museum willfully obscure academic theory and shamelessly commercial show business Boon underlines the inadequacies of simple ideologies and pat generalizations The book is a profound and eloquent exploration of cultural comparison by one of America's most original and innovative anthropologists **Sabin & sons'**

American biblioplist Sabin J. and sons, 1869 **The Catholic Dogma: Extra Ecclesiam Nullus Omnino Salvatur** Michael Muller, 2020-12-08 In *The Catholic Dogma Extra Ecclesiam Nullus Omnino Salvatur* Michael Muller engages with one of the most provocative assertions within Catholic theology exploring the dogma that outside the Church there is no salvation Muller deftly navigates the doctrinal intricacies and historical context of this teaching employing a rigorous analytical style that intertwines theological discourse with historical evidence The text is rich with references to authoritative Church documents biblical scripture and insights from Church Fathers providing readers with a comprehensive understanding of its implications and relevance in contemporary discussions around ecumenism and religious pluralism Michael Muller a prominent theologian and historian of theology draws upon his profound expertise and profound commitment to Catholic doctrine to articulate the nuances of this contentious assertion His academic background and extensive research in ecclesiological studies illuminate the motivations behind his exploration of the dogma reflecting his urgency to clarify widespread misconceptions while reaffirming the Church's timeless teachings amidst modernity's challenges This book is highly recommended for scholars theologians and lay readers alike who seek to deepen their understanding of Catholic dogma and its implications for interfaith dialogue Muller's robust scholarship and passionate defense of Church doctrine invite thoughtful engagement and reflection making it an essential read for anyone grappling
