Appeals Communism Princeton Legacy Library:

Appeals of Communism Gabriel Abraham Almond, 2015-12-08 This study based on an extensive program of interviewing former American British French and Italian Communists provides many answers to these questions and gives a convincing insight into the motivations tensions and loyalties of Party members First the book examines Communist literature the Lenin and Stalin classics and current Party media to see what the Communists themselves expect of their movement Then it shows whether this ideal is realized by the people who have been through it The final sections which follow the interviews closely reveal what actually happens to people when they join while they are in the Party and after they leave Originally published in 1954 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 Appeals of Communism Gabriel Abraham

John Morgan, 2024-09-30

Cultural Cold Wars and UNESCO in the Twentieth Century addresses the now considerable interest in the concept of cultural cold war as a means of advancing ideologies The book charts the development of the concept in the twentieth century Structured in two parts Part I considers the League of Nations idealist attempts at international intellectual cooperation It discusses also the first cultural cold war with the Communist International s attempts to advance communism It also analyses the ideological and cultural appeal of Italian fascism German national socialism and Japanese nationalist militarism and the transition from a wartime alliance to a new cold war Part II examines the renewal of international intellectual co operation through the United Nations Educational Scientific and Cultural Organization UNESCO in the context of a second cultural cold war between the

capitalist democracies and the communist bloc The book shows that UNESCO became a site of this ideological competition and an example of its tensions Based on original research and a comprehensive review of the literature including in Russian German and French the book will appeal to academics postgraduate researchers advanced undergraduates and others interested in recent international history and the comparative politics of ideas **The Junior College Library Collection**
