Are Libraries Obsolete? Mark Y. Herring, 2014-01-23 The digital age has transformed information access in ways that few ever dreamed But the afterclap of our digital wonders has left libraries reeling as they are no longer the chief contender in information delivery The author gives both sides the web aficionados some of them unhinged and the traditional librarians some blinkered a fair hearing but misconceptions abound Internet be all and end all enthusiasts are no more useful than librarians who urge fellow professionals to be all things to all people The American Library Association wildly democratic at its best and worst appears schizophrenic on the issue unhelpfully My effort here

says the author is to talk about the elephant in the room Are libraries obsolete No concludes the author also The book explores how libraries and librarians must and certainly can continue to be relevant vibrant and enduring Gerontologic Nursing - E-Book Sue E.
