The Blue Moon Complexicon: One Giant Leap For Penmankind Charles Peter Watson, 2013-06-28 A collection of obsolete archaic obscure rare dialectic scientific advanced and uncommonly defined common words in the English language compiled in a period of over 20 years and presented in order to reintroduce and revitalize words that date back decades and centuries but never get much earplay in common conversations

Chimney Bluffs David B. Seaburn, 2012-09 When their four year old son Danny dies suddenly Mitch and Kate's grief overwhelms them. Conflicted about going on with their lives Mitch and Kate decide to leap from a cliff at Chimney Bluffs. When the couple is found by park rangers Clancy and Bobby Kate is still very much alive. What follows is a poignant and powerful story of three strangers each facing a tragic loss who together find friendship and healing. A novel of hope and redemption by David B. Seaburn author of *Charlie No Face Savant* 2010

Denver Beer Jonathan Shikes, 2020-03-02 Brewed in 1859 near what is now the heart of downtown Denver's first beer quenched the thirst of fortune hunters following the gold rush. It lubricated the city's transformation from Wild West town to the Queen City of the Plains until Prohibition brought a sudden end to the brewing culture. By 1979 only the famed Coors brewery remained. But then something frothy happened. Brian Dunn, John Hickenlooper and many others began satiating locals with liquid gold. The craft beer movement blossomed. Now well over seventy breweries strong it is filled with the same pioneering spirit and irrepressible optimism that the miners embodied. Journalist and author Jonathan Shikes captures the Mile High City's sudsy stories from then until now.

Moon Blue Roy Irwin Gift, 2011 Sgt. Rollins is a young white southerner with a Medal of Honor in his pocket, a load of shrapnel in his back and a mission to find the missing granddaughter of the Black woman who raised him. Before solving a murder case he falls in love and finds himself in more danger than on the battlefield of Guadalcanal.

Off-Centered Leadership Sam Calagione, 2016-02-23 Find out what happens when companies stop competing and start collaborating. Off-Centered Leadership considers an innovative approach to business by exploring what happens when companies stop competing and start collaborating both externally in the marketplace and internally in building a culture of communication, trust and alignment. Brimming with lessons on entrepreneurship and culture from the founder of Dogfish Head Craft Brewery, one of the fastest growing independent breweries in the country, members of his leadership team and external mentors from the worlds of business and art, this game-changing text turns competition on its head by showcasing how competing organizations can work together and with other local businesses to reach a common goal. The text dives into how Dogfish Head has blazed a new trail through the development of a revolutionary business model that has called upon musicians, community organizations and even other breweries to keep product development fresh and create engaging customer experiences. This book documents and addresses the growing pains a company experiences as it evolves from the awkward early start-up years into a mid-sized sustainable company with hundreds of co-workers. Calagione is candid in sharing his personal leadership challenges and success and calls on other seasoned vets inside and outside the company.
