AND OTHER STORIES

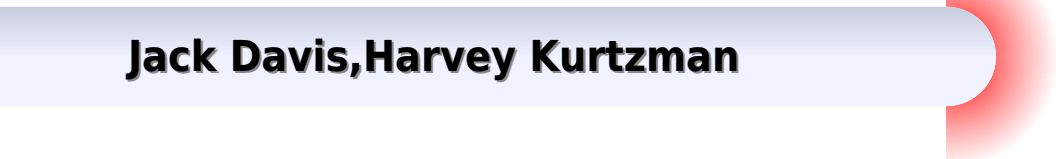

ILLUSTRATED BY John Severin

BOMB RUN

Bomb Run And Other Stories

Jack Davis, Harvey Kurtzman

Bomb Run And Other Stories:

Bomb Run John Severin, Harvey Kurtzman, 2014-07-05 The team of Harvey Kurtzman and John Severin was one of the most fruitful collaborations in the history of comics The work they did together brings the gritty realism and psychological truth of Stephen Crane and a verisimilitude to the page that it seems as if they are reporting from the scene Together with inker and friend Will Elder whose own obsession for detail perfectly complemented the impact they were all striving to achieve they produced 34 emotionally draining and dramatically eloquent war stories in just under three years This book collects them all

Death Stand Jack Davis, Harvey Kurtzman, 2018-06-20 Death Stand And Other Stories collects more than thirty stories all the combat tales Davis and Kurtzman did together for EC's Two Fisted Tales and Frontline Combat It also includes Davis's adaptation of an excerpt from James Fenimore Cooper's Last of the Mohicans

The Million Year Picnic Will Elder, Al Feldstein, 2017-01-11 This collection includes all 15 of Elder's humorous Panic stories The Night Before Christmas got the first issue banned in the entire state of Massachusetts all seven of his science fiction tales from the pages of Weird Science and Weird Fantasy including two Ray Bradbury adaptations The King of the Grey Spaces and The Million Year Picnic and a special horror story that hasn't been seen since its original publication more than 60 years ago

Forty Whacks Jack Kamen, Al Feldstein, 2015-10-07 Jack Kamen's precise clean style was perfect subversion for EC Comics tales of seemingly normal men and women who coolly act on the rage jealousy and greed just below their glamorous facades Kamen's crime capers include Forty Whacks Whatever became of that ax Lizzie Borden used Contract for Death A suicidal man agrees to accept 5 000 for his fresh corpse then changes his mind But the contract fails to specify that the body has to be his The Neat Job Her neat freak husband drove her crazy so when she chopped him up into little pieces Just Desserts A madman bent on revenge hosts a dinner for his victims and the final course is a killer plus 20 more gripping tales of tension as only EC could do them

Accidents and Old Lace Graham Ingels, 2020-11-24 This volume collects short horror comics stories from Tales From the Crypt Vault of Horror Haunt of Fear Crime Suspense Stories and Impact including a rare EC gem that hasn't been seen since its original publication more than 65 years ago These stories which Ghastly Graham Ingels drew while he was at the pinnacle of his powers include tales such as Accidents and Old Lace Three sweet little old ladies weave tapestries depicting the gruesome deaths of real people but when an art dealer commits murder to get a tapestry of his own he discovers just how closely art imitates death In Marriage Vow a woman returns from the grave to fulfill her wifely duty to her murderous husband until death does them together and in The Sliceman Cometh an executioner during the French Revolution can't escape the severed head of an innocent man

Judgment Day Joe Orlando, Al Feldstein, 2014-06-08 Classic EC science fiction from the pen of Joe Orlando including two Ray Bradbury stories all of EC's Adam Link adaptations and the famous anti racism title story

The Living Mummy and Other Stories Jack Davis, Al Feldstein, 2016-08-03 When Jack Davis took up his pen for EC Comics he made his innocent victims more eye poppingly terrified his ax murderers more gleefully

gruesome and his vampires and werewolves more bloodthirsty and feral than any other artist These horror and suspense tales from the pages of Vault of Horror Haunt of Fear Crime SuspenStories and Shock SuspenStories offer everything a horror fan could ask for re animated bodies and body parts a ghoul who stores bodies like a squirrel stores nuts a vampire who moonlights at where else a blood bank greedy business partners corrupt politicians jealous lovers revenge from beyond the grave and a healthy complement of vampires werewolves and assorted grotesqueries All leavened with the cackling pun laced humor of scripter Al Feldstein and illuminated as only the virtuoso brushwork of Jack Davis can present them

A Slight Case of Murder George Evans, Al Feldstein, 2021-01-12 This volume collects all of George Evans EC horror It features Blind Alleys one of the most chilling and famous EC stories adapted for the 1972 movie Tales From the Crypt A man who abused residents of a home for the blind winds up in an impossibly narrow corridor lined with razor blades as a ravenous dog closes in In Gorilla My Dreams an innocent man's brain is transplanted into a gorilla who is then blamed for the death of his former self and hunted down And in our titular tale A Slight Case of Murder four pretty young women are each gruesomely murdered inside locked rooms with no way for the killer to get in or out But one man thinks he knows who's behind it In addition A Slight Case of Murder and Other Stories also includes Evans's unforgettable adaptation of the Ray Bradbury story The Small Assassin This book superbly showcases these classic comic book stories and enhances the reader's experience with commentary and historical and biographical detail by EC experts

Zero Hour Jack Kamen, Al Feldstein, 2014-02-15 With his wholesome approach Jack Kamen stood out amongst the grandguignol grunge gritty realism or futuristic dazzle of his fellow EC cartoonists but his brilliant editor/writer Al Feldstein found a way to exploit the surface innocence of his style with seemingly nice stories of romance gone horribly wrong or future fantasies with an unexpectedly brutal twist And nowhere did Kamen's clean but lush graphics work better than in the stories he created for EC's science fiction comics The title story Zero Hour one of three in this book adapted from works by Ray Bradbury set in a Spielbergian suburban idyll is particularly well served by Kamen's surface innocence A Lesson in Anatomy works similar magic with its Mayberryesque setting veering into alien invasion terror If there was any devil in Kamen it came out in his loving depiction of the female face and form and you could see why his hapless heroes were often fatally entranced with them as in Punishment Without Crime Bradbury again He Who Waits a scientist finds an extreme way of rejoining his eight inch tall innamorata and Miscalculation the lucky recipient of a package from the future literally brews his own harem even the supercomputer in Only Human proves vulnerable to a beautiful woman's charms Zero Hour And Other Stories contains 22 classic EC yarns plus the usual all new biographical historical and critical essays that have made Fantagraphics EC Library series the ultimate version of these classics

Man and Superman Harvey Kurtzman, Al Feldstein, 2020-01-29 All of the creator of Mad magazine's rarely seen EC science fiction comics stories in a single volume These stories all drawn by Kurtzman some of which he also wrote are from the pages of Weird Science Weird Fantasy Tales from the Crypt and more With Al Feldstein Kurtzman created Lost in

the Microcosm The Man Who Raced Time and Atom Bomb Thief There s also The Radioactive Child The Last War on Earth and the titular story a cautionary tale about how the laws of physics would impact a real world superhero delivered in a uniquely bold slashing cartoony but dead serious style

Unveiling the Energy of Verbal Artistry: An Mental Sojourn through **Bomb Run And Other Stories**

In some sort of inundated with displays and the cacophony of fast interaction, the profound energy and emotional resonance of verbal beauty frequently fade in to obscurity, eclipsed by the constant assault of sound and distractions. Yet, situated within the lyrical pages of **Bomb Run And Other Stories**, a fascinating function of fictional splendor that pulses with raw emotions, lies an unique journey waiting to be embarked upon. Written by way of a virtuoso wordsmith, this exciting opus books visitors on an emotional odyssey, gently revealing the latent potential and profound affect embedded within the complicated internet of language. Within the heart-wrenching expanse of the evocative analysis, we will embark upon an introspective exploration of the book is key themes, dissect their fascinating publishing type, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.
