Hilton,1988 Rodney Hilton s account of the Peasant s Revolt of 1381 remains the classic authoritative text on the English Rising Hilton views the revolt in the context of a genral European pattern of class conflict He demonstrates that the peasant movements that disturbed the Middle Ages were not mere unrelated outbreaks of violence but had their roots in common economic and political conditions and in a recurring conflict of interest between peasants and landowners Now with a new introduction by Christopher Dyer this survey is still a leading source for students of medieval English peasantry **Great Debates in American History: The Civil War** Marion Mills Miller,1913 **The Civil War** Marion Mills Miller,1913

Great Debates in American History: The civil war; with an introduction by H. Watterson Marion Mills Miller,1913

Troubling Freedom Natasha Lightfoot,2015-11-19 In 1834 Antigua became the only British colony in the Caribbean to move directly from slavery to full emancipation Immediate freedom however did not live up to its promise as it did not guarantee any level of stability or autonomy and the implementation of new forms of coercion and control made it in many ways indistinguishable from slavery In Troubling Freedom Natasha Lightfoot tells the story of how Antigua s newly freed black working people struggled to realize freedom in their everyday lives prior to and in the decades following emancipation She presents freedpeople s efforts to form an efficient workforce acquire property secure housing worship and build independent communities in response to elite prescriptions for acceptable behavior and oppression Despite its continued efforts Antigua s black population failed to convince whites that its members were worthy of full economic and political inclusion By highlighting the diverse ways freedpeople defined and created freedom through quotidian acts of survival and occasional uprisings Lightfoot complicates conceptions of freedom and the general narrative that landlessness was the primary constraint for newly emancipated slaves in the Caribbean
