Bonhoeffer's Black Jesus Harlem Renaissance Theology And An Ethic Of Resistance:

Bonhoeffer's Black Jesus Reggie L. Williams, 2014 This ethic of resistance not only indicted the church of the German Volk but continues to shape the nature of Christian discipleship today Courtney H Davis St Bernard's School of Theology and Ministry Journal of the Society of Christian Ethics *Dietrich Bonhoeffer's Ethics of Formation* Ryan Huber, 2020-05-19 Dietrich Bonhoeffer is many things to many people committed pacifist reluctant revolutionary Protestant saint but in Dietrich Bonhoeffer's Ethics of Formation Ryan Huber argues that Bonhoeffer should be engaged as a Christian ethicist of formation Huber demonstrates that formation lies at the heart of Bonhoeffer's ethical project and personal story providing a third way between virtue and character ethics in contemporary Christian thought concerned with moral growth **Luther, Bonhoeffer, and Public Ethics** Michael P. DeJonge, Clifford J. Green, 2018-09-15 Prompted by the 2017 commemoration of the 500th anniversary of the Protestant Reformation this book examines the legacy of Martin Luther in the life work and reception of Dietrich Bonhoeffer the most widely read modern Lutheran theologian Framing the commemoration of the Reformation in conversation with Bonhoeffer's legacy places much more than Bonhoeffer's connection to Luther at stake Given the fraught relationship of the Lutheran Bonhoeffer with the German Protestant Church under National Socialism the question inevitably arises What happened to Luther's church in Germany This in turn prompts the question How did the Protestant tradition play out in public life in other nations And these historical issues in turn encourage reflection on a question that exercised both Luther and Bonhoeffer What will be the shape of the church in the future In these pages an international group of scholars and practitioners from both church and state pursues these questions *Dietrich Bonhoeffer and a Theology of the Exception* Kevin O'Farrell, 2023-11-30 Engaging with the many debates about the meaning and character of Bonhoeffer's late resistance theology and action particularly as it relates to his participation in the attempted coup d'état against Hitler this book attends to Bonhoeffer's understanding of the exception Resisting the common reduction of the exception to a political or ethical concept O'Farrell argues that the exception for Bonhoeffer is an extraordinary moment in history that disarms persons impinging on one's understanding of politics and ethics Through a wide engagement with the Bonhoeffer corpus this book claims that this leads to distinctive narrations of key concepts in Bonhoeffer's corpus responsibility the free venture simple obedience and action beyond the law It also offers a different portrait of Bonhoeffer to contemporary narrations The Bonhoeffer that emerges is neither a Niebuhrian realist a pacifist or a religious fanatic but one who is impelled to act apart from the law without this action becoming arbitrary This Bonhoeffer provides a hopeful political witness that seeks a world beyond the conflicts and divisions of this age **The Routledge Companion to Christian Ethics** D. Stephen Long, Rebekah L. Miles, 2023-01-01 The Routledge Companion to Christian Ethics brings together two different but related disciplines the first is contemplative or theoretical asking what are the beliefs or doctrines that characterize Christianity whilst the second is practical asking what are the ethical practices that attend its teachings The

movement between the theoretical and practical aspects is not however one way as doctrine and life are mutually informing In this comprehensive volume leading scholars address key topics problems and debates in this hotly debated topic within a truly global context Comprising over 35 chapters by a team of international contributors the handbook is divided into three parts based on the three persons of the Trinity God the Father God the Son and God the Holy Spirit Within these sections cutting edge issues are examined including God and genetics War peace and violence White supremacy Creation and sexuality Digital ethics Transgender studies Climate change Immigration and refugees Adopting a practical approach that must consider new concerns that have arisen with recent social political and cultural shifts The Routledge Companion to Christian Ethics is essential reading for students and researchers in Christian ethics religious ethics and Christianity studies The handbook will also be very useful for those in related fields such as ethics and philosophy

The Spirit of Polyphony Joanna Tarassenko, 2024-01-25 This book re-examines how Bonhoeffer employs musical patterns of thought and language to a theological end It outlines how the significance of Bonhoeffer's musical theology has not been sufficiently recognised and sets the stage for a rigorous re-examination It becomes clear that through the lens of his musical metaphor of polyphony Bonhoeffer demonstrates how his account of Christian formation contains a latent pneumatology Tarassenko demonstrates that incorporation of this pneumatology is key in deepening one's understanding of Bonhoeffer It allows the relationship between Christology and Christian formation in Bonhoeffer's thought to become fully realised The appeal to polyphony articulates this pneumatology as an indirect but nevertheless exceedingly successful means of contouring an account of the Spirit's work

Bonhoeffer for the Church

Matthew D. Kirkpatrick,2024-04-09 Dietrich Bonhoeffer is one of the most widely read Christian writers of the twentieth century Although his work has been influential among academics his widest readership has always been the church Each Sunday Bonhoeffer s writings are referenced in sermons and study groups around the world And yet no systematic introduction to Bonhoeffer exists for this audience In *Bonhoeffer for the Church* Matthew Kirkpatrick corrects this omission Structured around topics such as preaching worship sacraments prayer pastoral care confession evangelism and apologetics *Bonhoeffer for the Church* offers an accessible but comprehensive introduction to Bonhoeffer s life and thought for those in ministry or interested in understanding their life in community better In making Bonhoeffer accessible for the church Kirkpatrick also reveals Bonhoeffer s astonishing message to the church Despite his well known conflicts with the churches and church leaders of his time the church remained for Bonhoeffer the foundation for God s redeeming activity to the world and in individual lives Drawing on the full range of his writings including his less well known sermons diaries and letters *Bonhoeffer for the Church* presents this astonishing vision and shows how Bonhoeffer can revitalize and inspire the life and ministry of the church and our individual relationships For those who struggle in their ministry doubt the relevance of the church or who simply need to be reenergized in their relationships with other Christians *Bonhoeffer for the Church* offers a crucially important message

Standing under the Cross Michael Mawson,2023-09-07 *Standing Under the Cross* focuses on Bonhoeffer s rich theological and ethical thinking It places Bonhoeffer in conversation with a wide range of modern theologians including Karl Barth Franz Rosenzweig J rgen Moltmann and James Cone The book gives particular attention to hermeneutics the body and Bonhoeffer s rich reflections on community and discipleship Mawson attends to the complex ways in which these aspects of Bonhoeffer s thinking work together and shows how they can assist us in responding to some of the challenges confronting us today

Between the World of Ta-Nehisi Coates and Christianity David Evans,Peter Dula,2018-10-24 *Between the world of Ta Nehisi Coates and Christianity* there appears to be the widest difference Coates s brief comments on Christianity in his highly acclaimed *Between the World and Me* make clear that religious faith is alien to his own experience Still Christian audiences from congregations to theological schools engaged the text for its analysis of the state of race relations in the United States In September 2015 Ta Nehisi Coates tweeted Best thing about *BetweenTheWorldAndMe* is watching Christians engage the work Serious learning experience for me This volume takes that tweet as an invitation to theologians ethicists and religious studies scholars to engage the book and as a challenge to do so in

a way that is a learning experience for Coates the authors and readers
