Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Macroeconomics Eric Chiang, 2019-10-10. With this edition, Eric Chiang continues to link economics concepts to topics of personal interest to students. The new edition is a thoroughly contemporary, fully integrated print technology resource that adapts to the way you want to teach. As always, this concise book focuses on the topics most often covered in the principles course, but with this edition, it offers a stronger emphasis than ever on helping students apply an economic way of thinking to the overwhelming flow of data we face every day. Economics Principles for a Changing World is fully informed by Eric Chiang's experiences teaching thousands of students worldwide, both in person and online. Developing the text, art, media, homework, and ancillaries simultaneously, Chiang translates these experiences into a cohesive approach that embodies the book's founding principles: To use technology as a tool for learning before lectures, during class, when doing homework, and at exam time. To help students harness the data literacy they'll need as consumers of economic information. *Principles of Macroeconomics* N. Gregory Mankiw, Ronald D. Kneebone, Kenneth J. McKenzie, 2010-11-18. Principles of Macroeconomics Fifth Canadian Edition became a best seller after its introduction and continues to be the most popular and widely used text in the economics classroom. Instructors found it to be the perfect complement to their teaching. A text by superb writers and economists that stressed the most important concepts without overwhelming students with an excess of detail was a formula that was quickly imitated but has yet to be matched. The fifth edition contains extensively updated coverage of areas impacted by the financial crisis and features new content and applications that emphasize the real-world relevance of economics for today's students through interesting news articles, realistic case studies, and engaging problems. The premier ancillary package is the most extensive in the industry and meets the high standards set in the Nelson Education Teaching Advantage guidelines. The text material is again fully integrated into Aplia, the best-selling online homework solution. I have tried to put myself in the position of someone seeing economics for the first time. My goal is to emphasize the material that students should and do find interesting about the study of the economy. N. Gregory Mankiw. *Macroeconomics* GREGORY N., TAYLOR MANKIW (MARK P.), N. Mankiw, Mark Taylor, 2020-02-10. Now firmly established as one of the leading economics principles texts in the UK and Europe, this exciting new fifth edition of *Macroeconomics* by N. Gregory Mankiw, Harvard University, and Mark P. Taylor.

Washington University has been fully updated Much revered for its friendly and accessible approach emphasis on active learning and unrivalled support resources this edition also has an improved structure to ensure the text aligns even more closely with the latest courses The new edition incorporates additional coverage of a number of key topics including the future of the European Union the post Financial crisis world and macroeconomic policy issues This title is available with MindTap for Economics a flexible online learning solution that provides students with all the tools they need to succeed including an interactive eReader engaging multimedia practice questions assessment materials revision aids and analytics to help you track their progress
