Apocalypse Delayed The Story Of Jehovahs Witnesses Third Edition

M. James Penton

Apocalypse Delayed The Story Of Jehovahs Witnesses Third Edition:

Apocalypse Delayed M. James Penton, 2015-02-26 Since 1876 Jehovah's Witnesses have believed that they are living in the last days of the present world. Charles T. Russell, their founder, advised his followers that members of Christ's church would be raptured in 1878 and by 1914 Christ would destroy the nations and establish his kingdom on earth. The first prophecy was not fulfilled, but the outbreak of the First World War lent some credibility to the second. Ever since that time Jehovah's Witnesses have been predicting that the world would end shortly. Their numbers have grown to many millions in over two hundred countries. They distribute a billion pieces of literature annually and continue to anticipate the end of the world. For almost thirty years M. James Penton's *Apocalypse Delayed* has been the definitive scholarly study of this religious movement. As a former member of the sect, Penton offers a comprehensive overview of the Jehovah's Witnesses. His book is divided into three parts, each presenting the Witnesses' story in a different context: historical, doctrinal, and sociological. Some of the issues he discusses are known to the general public, such as the sect's opposition to military service and blood transfusions. Others involve internal controversies, including political control of the organization and the handling of dissent within the ranks. Thoroughly revised, the third edition of Penton's classic text includes substantial new information on the sources of Russell's theology and on the church's early leaders, as well as coverage of important developments within the sect since the second edition was published fifteen years ago.

Apocalypse Delayed M. James Penton, 1997-01-01 M. James Penton offers a comprehensive overview of a remarkable religious movement from the Witnesses' inauspicious creation by a Pennsylvania preacher in the 1870s to its position as a religious sect with millions of followers worldwide. This second edition features an afterword by the author and an expanded bibliography.

Apocalypse Delayed [sound Recording] : the Story of Jehovah's Witnesses M. James Penton, 1989

Apocalypse Delayed M. James Penton, 1989

Jehovah's Witnesses and the Third Reich M. James Penton, 2004-01-01 Using materials from Witness archives, the U.S. State Department Nazi files, and other sources, M. James Penton demonstrates that while many ordinary German Witnesses were brave in their opposition to Nazism, their leaders were quite prepared to support the Hitler government from publisher description.

Jehovah's Witnesses and the Secular World Zoe Knox, 2018-01-29 This book examines the historic tensions between Jehovah's Witnesses and government authorities, civic organisations, established churches, and the broader public. Witnesses originated in the 1870s as small, loose-knit groups calling themselves Bible Students. Today there are some eight million Witnesses worldwide, all actively engaged in evangelism under the direction of the Watch Tower Society. The author analyses issues that have brought them global visibility and even notoriety, including political neutrality, public ministry, blood transfusion, and anti-ecumenism. It also explores anti-Witness discourse from media portrayals of the community as marginal and exotic to the anti-cult movement. Focusing on varied historical, ideological, and national contexts, the book argues that Witnesses have had a defining influence on conceptions of religious tolerance in the modern world.

End of Days Wendell G.

Johnson,2017-07-14 Covering religious traditions ranging from Buddhism to Christianity to Zoroastrianism and modern apocalyptic movements such as Arun Shinrikyo and the Branch Davidians this book addresses prophesied end of days from a breadth of perspectives and includes material on often neglected themes and genres End of Days An Encyclopedia of the Apocalypse in World Religions describes apocalyptic writings in the world s major religious traditions including Judaism Christianity Islam Hinduism and Buddhism The cross referenced entries address ancient traditions Zoroastrianism as one example as well as modern apocalyptic movements such as Arun Shinrikyo the Branch Davidians and the Order of the Solar Temple This book s broad scope offers coverage of overlooked traditions such as Mayan Apocalyptic Norse Apocalyptic Native American eschatological literatures and the Tibetan Book of the Dead Readers seeking detailed information on the eschatological and apocalyptic movements and proponents of End Times can reference entries about individuals such as Harold Camping Jerry Falwell David Koresh of the Branch Davidians and James Jones and the People s Temple This single volume encyclopedia also contains numerous historical entries on subjects such as the Great Disappointment the Great Awakening periods of religious revival Joachim of Flora the Maccabean Revolt and the Plymouth Brethren The influence of apocalyptic ideas far outside the realm of religion itself is documented through entries on film including well known modern movies such as The Hunger Games and Apocalypse Now literature by writers such as Dante and works of fine art like Wagner s Gtterdämmerung The inclusion of entries related to literature film and other art forms further attests to the wide ranging social influence of belief in the end of days

Encyclopedia of Christianity in the United States George Thomas Kurian,Mark A. Lamport,2016-11-10 From the Founding Fathers through the present Christianity has exercised powerful influence in the United States from its role in shaping politics and social institutions to its hand in inspiring art and culture The Encyclopedia of Christianity in the United States outlines the myriad roles Christianity has played and continues to play This masterful five volume reference work includes biographies of major figures in the Christian church in the United States influential religious documents and Supreme Court decisions and information on theology and theologians denominations faith based organizations immigration art from decorative arts and film to music and literature evangelism and crusades the significant role of women racial issues civil religion and more The first volume opens with introductory essays that provide snapshots of Christianity in the U S from pre colonial times to the present as well as a statistical profile and a timeline of key dates and events Entries are organized from A to Z The final volume closes with essays exploring impressions of Christianity in the United States from other faiths and other parts of the world as well as a select yet comprehensive bibliography Appendices help readers locate entries by thematic section and author and a comprehensive index further aids navigation

Psychobiographies and Godly Visions Stephen A. Kent,2025-08-06 This book argues that the religious visions and experiences of many religious founders were the result of mental health disorders or neurological conditions thereby calling into question supernatural origins about the faiths that they developed It constructs this argument by extensively utilizing

psychiatric and other mental health and medical material that social scientists and religious studies scholars have underutilized in their analyses of religious experiences Using a multi disciplinary approach to examine psychobiographies of numerous major and minor religious figures in Judaism Christianity and Islam Ezekiel Sabbatai evi St Paul John Wesley and Muhammad along with leaders of many newer or alternative sects and cults Rajneesh Charles Manson L Ron Hubbard David Berg Marshall Applewhite Jim Jones Sun Myung Moon and Elizabeth Clare Prophet The book integrates material from religious studies psychiatry and psychology neurology and the social sciences to address issues related to religions origins Its extensive bibliography makes it an indispensable resource for scholars of psychiatry and religion new religious movements and religious narcissism

Jehovah's Witnesses George D. Chryssides, 2016-12-05 From its origins in nineteenth century Adventism until the present day the Watch Tower Society has become one of the best known but least understood new religious movements Resisting the tendency to define the movement in terms of the negative this volume offers an empathetic account of the Jehovah s Witnesses without defending or seeking to refute their beliefs George Chryssides critically examines the historical and theological bases of the organization s teachings and practices and discusses the changes and continuities which have defined it The book provides a valuable resource for scholars of new religious movements and contemporary religion
