## **Appetizers For The Soul:**

**Appetizers for the Soul** Lyra Synesio, 2012-07-28 Appetizers for the Soul emphasizes the necessity and advantages of common sense living in today's world. The positive phrases herein contained are intended to be a source of encouragement, challenge, and incentives to action. Each idea presented is a practical lesson to be implemented and continually expanded in one's daily living and operation in society. Hopefully these sentences will stimulate your creative mind in developing your own appetizers which can become an additional source of encouragement to those you interact with. Words fitly spoken or recorded on paper often contribute to the wellbeing of individuals, families, and nations. It's never by our much speaking that we shall be heard but rather by the salutary quality of what we seek to convey. Enjoy your appetizers and offer them to other people. Appetizers for the Soul deserves the full attention of many readers on account of the distilled wisdom which the author offers with each thought. Dr. Lyra is a regular columnist for the newspaper I publish and I can testify to the manifold enthusiastic responses his writings always elicit from the reading public. I know the same will be the case with those who shall benefit from this precious volume. Douglas Heizer, publisher, The Boca Raton Tribune, Boca Raton, Florida. *Revelations of a Hood Chick* Kijana LeTasha Harris, 2015-04-10 Poetry is an expression of one's perception of their life's experiences. Sometimes in life we have battles within ourselves. When we are growing and maturing it can sometimes be painful. But growing pains are normal. We, as young children, experience the aches in our bones and muscles as we grow. Well, as adults, we experience that same kind of pain but it's in our hearts and minds. The big picture is to embrace our pains because they're temporary. Once we have reached our maturity, we have an unfiltered wisdom that is something only experience can bring. The harder we struggle, the stronger we have a chance to become. The choice is our own. In my life, I have struggled with love. It's easy for me to give yet hard to receive. Therefore, I have set out to conquer my inner self. I have started my journey by loving me and letting me love me back. I express my thoughts that are nontraditional because I'm not traditional. I have always been considered different or an outcast but I learned I am supposed to be. These poems are a reflection of who only God can see and I am ready to reveal myself. **Appetizers for the Soul** Aurva J. Hooey, 2009-09 The title Appetizers for the Soul is a metaphor that can be well described. It represents a prerequisite to something exciting that is about to happen. These collections of short plays were written to perform preceding the main speaker of an event to translate the meaning of special holidays or to provide entertainment at family reunions. Most of these plays are basically written with serious plots; however, some may seem to have plots of serendipitous occurrences. Some are destined to be humorous depending on the selection of characters. All plays in this collection have been performed at several events and have been perceived as being very enjoyable, entertaining, and fulfilling. They have received many accolades and many persons from different organizations and churches have expressed how they can relate to the experiences found in many of them. These plays are all low budget but according to one's budget they may be more realistic by enhancing the sets and using authentic costumes. So while browsing through the

pages of this book think about how challenging and rewarding it might be to present one of these plays to the audience of your choice
