Apple Store Berkeley:

The Metainterface Christian Ulrik Andersen, Soren Bro Pold, 2018-04-27 How the interface has moved from the PC into cultural platforms as seen in a series of works of net art software art and electronic literature The computer interface is both omnipresent and invisible at once embedded in everyday objects and characterized by hidden exchanges of information between objects The interface has moved from office into culture with devices apps the cloud and data streams as new cultural platforms In *The Metainterface* Christian Ulrik Andersen and Soren Bro Pold examine the relationships between art and interfaces tracing the interface's disruption of everyday cultural practices They present a new interface paradigm of cloud services smartphones and data capture and examine how particular art forms including net art software art and electronic literature seek to reflect and explore this paradigm Andersen and Pold argue that despite attempts to make the interface disappear into smooth access and smart interaction it gradually resurfaces there is a metainterface to the displaced interface Art can help us see this the interface can be an important outlet for aesthetic critique Andersen and Pold describe the semantic capitalism of a metainterface industry that captures user behavior the metainterface industry's disruption of everyday urban life changing how the city is read inhabited and organized the ways that the material displacement of the cloud affects the experience of the interface and the potential of designing with an awareness of the language and grammar of interfaces

Apple in China Patrick McGee, 2025-05-13 A look at how Apple helped build China's dominance in electronics assembly and manufacturing only to find itself trapped in a relationship with an authoritarian state making ever increasing demands

Apple Inc. Jason D. O'Grady, 2008-12-30 Two guys named Steve working in a garage created a prototype computer designed to be different in a way no one thought possible It would be easy to use Those two Steves one now a billionaire and still at the head of Apple not only succeeded with that product but they also broke ground in the business world in ways few thought possible They proved you could not only have fun at work but pursuing a capitalist dream could be hip How did Apple do it How did it go from making computers that made a difference but not much of a dent in the overall market to creating a device the iPod and a music service iTunes that has changed the way we buy and experience music And how did the Macintosh and its successors capture the hearts and minds of computer users so deeply that being a Mac person makes you a member of a special club That's what this book is all about As author Jason D O Grady shows Apple is a rare company one that is not afraid to think about a future that does not exist and turn it into reality Critics have written Apple off time and again yet it rises from the ashes to astound the critics and delight its customers That's not luck or happenstance it's vision dedication and persistence Besides delighting Apple aficionados this book will inspire students eager to launch a business career or work in the technology sector Apple has never been afraid to chart its own path and readers will learn what makes the company tick

Two Ton Investigations, Inc. Carl Ton, 2018-09-16 *Two Ton Investigations Inc* By Carl Ton When Carlyle and his wife Wanda owners of the Two Ton Investigations Inc get called in on a case they never

imagined what would follow As they work to investigate who attacked a friend s dog the Tons are thrown into a dangerous California world filled with gangs deception and countless twists and turns Will the Tons uncover the truth and lay the case to rest or will their careers go to the dogs

The People's Detective Nicholas Louis Baham III,2024-09-12 When investigative journalist and Black Lives Matter activist Aurora Jenkins gets too close to the truth about sex trafficking and the unsolved disappearances of young Black Latina Asian American and Indigenous women from the streets of Oakland California a powerful alliance of organized crime corrupt police and elites seek to suppress her story Sonny Trueheart a former Oakland Police Department homicide detective and whistleblower burdened by alcoholism and the ghosts of his past is called to investigate Aurora s disappearance and the facts behind her story Together with his former martial arts teacher a Bahamian human rights advocate and an old friend with a propensity for gratuitous sex and violence Sonny uncovers a vast criminal conspiracy Armed with little more than his intuition a snubnose revolver and a willingness to break the law in order to bring justice Sonny Trueheart emerges as a symbol of revolutionary awakening in the Black communities of Oakland California The People s Detective brings to light the under reported stories of sex trafficking in the Bay Area and adds a distinctly Oakland aesthetic martial arts mayhem and the thrill of a bank heist to the ethos of the noir detective genre It is the first installment in the Sonny Trueheart Mystery detective series
