any valley Even though you may not know how you got into the valley in the first place you do know deep inside yourself how to get through and out and free You just need a little faith in yourself and a little guidance to find that faith within yourself When you are at your wit s end take this little book and let it guide you toward the ever present but often elusive light at the end of the tunnel Faith in the Valley is designed to help you find the light when you need it most when you re in that damn tunnel When you re most confused and in the dark and clueless as to how you got there again and when you re trying to figure out not just how to get out but stay out For good Faith in the Valley has helped so many through so much that we felt it only fitting to issue this lovely gift edition to acknowledge the special place it holds in many hearts Please share it with a friend who has served as your beacon in the past or offer it to yourself as a reminder of the strength and wisdom you possess and can offer to others Iyanla Acts of Faith 1997 Iyanla Vanzant,1996-08 **Until Today!** Iyanla Vanzant,2001-08-14

readers have found the inspiration to make profound changes in their lives Calling on both personal experience and her work with others Iyanla's ONE DAY MY SOUL JUST OPENED UP is a message of empowerment both for women and men encouraging us to tap into our strengths and make our dreams come true Through a forty day and forty night programme of exercises and readings Iyanla guides us through our daily obstacles towards greater emotional and spiritual health **Love Thy Self - Teen Version** Author Kharisma/D.L. Miller,2009-12-01 Many readers who happen to pick up this book may ask why I would choose to write this with an already large array of other self help materials collecting dust on the bookshelves Well with my perusal of the bookstores and libraries I have found very few books written to address the self esteem of people of color and the great need for them to celebrate self love and self preservation The mission of this book is to allow African American Latin American and young people of color the opportunity to embrace their individuality above societal norms cultural expectations gender roles or any other forms of classism Though we all fit into specific groups according to race culture and class we people of color all collectively have something special which makes us uniquely beautiful One may also ask why I would target pre teens teens of color as opposed to speaking to all pre teens teens One good reason to mention is the fact that I am an African American woman who has enjoyed the journey of self discovery its twist and turns ups and downs and all of its ins and outs Despite all the obvious obstacles I have had as an African American woman I have learned to love who I am and achieve success with great pride Secondly I write to hopefully encourage and empower pre teens teens of color to love themselves from the depths of their souls to the surface of their mahogany honey brown or caramel skin As beautiful as we are collectively we have some serious issues with self esteem and confidence Thirdly I pray that this book will help young girls and boys to love who they are denying themselves for no one **Love Thy Self - Adult Version** Author Kharisma/DiSheka Miller,2011-12-01 Love Thy Self is a self help book addressing the self esteem and confidence of women specifically Women of Color and focusing on the great need for these women to celebrate self love and self preservation
