Anderson, Julia Quarles, Mike Quarles, 1996-06-11 Many Christians are locked in a cycle of addiction particularly in the areas of alcohol and drug abuse Many have turned to twelve step programs for help But where is the incredible power of Christ in this process In a positive noncondemning way Anderson provides an alternative model of recovery for substance and alcohol abusers a model that will also work for individuals struggling with other kinds of addictions The first half of *Freedom from Addictions* tells the unbelievable story of Mike and Julia Quarles and how Mike overcame a debilitating addiction to alcohol He achieved success by applying the principles that make up the central theme of Dr Anderson's message that we are saints according to God's Word Ephesians 1 and that true freedom comes from realizing our identity in Christ Addiction

Neuroethics Adrian Carter, Wayne Hall, Judy Illes, 2011-10-17 Research increasingly suggests that addiction has a genetic and neurobiological basis but efforts to translate research into effective clinical treatments and social policy needs to be informed by careful ethical analyses of the personal and social implications Scientists and policy makers alike must consider possible unintended negative consequences of neuroscience research so that the promise of reducing the burden and incidence of addiction can be fully realized and new advances translated into clinically meaningful and effective treatments This volume brings together leading addiction researchers and practitioners with neuroethicists and social scientists to specifically discuss the ethical philosophical legal and social implications of neuroscience research of addiction as well as its translation into effective economical and appropriate policy and treatments Chapters explore the history of ideas about addiction the neuroscience of drug use and addiction prevention and treatment of addiction the moral implications of addiction neuroscience legal issues and human rights research ethics and public policy Features outstanding and truly international scholarship with chapters written by leading experts in neuroscience addiction medicine psychology and more Informs psychologists of related research in neuroscience and vice versa giving researchers easy one stop access to knowledge outside their area of specialty *Church History (Vol.1-3)* J. H. Kurtz, 2020-07-15 Church History in three volumes is an account of the Christian Church written by prominent Lutheran theologian Johann Heinrich Kurtz The work comprises ecclesiastical history from its beginnings to the end of 19th century First part of the book covers the period from pre Christian era and the founding of the Church by Christ and his Apostles to the 10th century Second part spans from Christian missionary enterprises and the Crusades to Reformation and the Counter Reformation The final part covers the years from 17th to 19th century and what Christian church went through in that period

The History of the Christian Church:
Vol.1-8 Philip Schaff, 2019-12-18 History of the Christian Church is an eight volume account of Christian history which covers the history of Christianity from the time of the apostles to the Reformation period The book deals with seven periods in the history of the church The First Period of Church History Apostolic Christianity The Second Period of Church History

Ante Nicene Christianity The Third Period of Church History The Church in Union with the Roman Empire The Fourth Period of Church History The Church among the Barbarians The Fifth Period of Church History From Gregory VII to Boniface VIII A D 1049 1294 The Sixth Period of Church History From Boniface VIII to Martin Luther The Seventh Period of Church History The Reformation **Christian Guide To Mental Illness Vol 1** Stephen M Saunders,2016-07-01 How do Christians deal with mental illness Mental illness is a major problem for many people in society male or female young or old religious or atheist Christians are certainly no exception yet unfortunately the same stigma surrounding mental illness in society is present in Christian circles too The first in a two volume set from author Dr Stephen Saunders this book takes an in depth look at mental illness while also offering grace and encouragement from God s Word Saunders describes many common mental afflictions in great detail including their symptoms risk factors and the effects they can have on loved ones Saunders then presents you with key biblical principles sin and grace law and gospel and others to show that God is in control and has not deserted those who suffer By reading this book you ll be better prepared to help your loved ones endure whatever mental trials they might be facing
