ADELAIDE VOL 2 OF 3 Miss Cathcart, 2016-09-05 Excerpt from Adelaide Vol 2 of 3 Story of Modern Life In a worldly point of view the connexion Adelaide was about to form was as brilliant and advantageous as even a Mother s vanity could desire for her Colonel Algernon s birth his talents and popularity had established him so firmly in the good graces of his fashionable Friends that he would at once place her in a more distinguished situation in Society than she could at first have attained as Mrs Shirley Since William with all his abilities was as yet little known in England Then her Ladyship considered that his Cousin alone stood between Henry Algernon and a Peerage Horace was unmarried and from all she had heard of him likely to continue so he led a wild desperate sort of life and her active

imagination working upon these materials saw the reversion of a Coronet already suspended over her Daughter's head About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
