Annie get your gun Irving Berlin, 1967 **Arias, Ensembles, & Choruses** John Yaffé, David Daniels, 2011-11-17 Conductors John Yaff and David Daniels have created a one stop sourcebook for orchestras opera companies conductors and librarians who research and or prepare programs of vocal excerpts such as solos ensembles and choruses for concert performance In this book readers will find detailed information on a vast repertoire of vocal pieces commonly extracted from operas operettas musicals and oratorios more than 1 750 excerpts from 450 parent works Modeled on Daniels Orchestral Music Arias Ensembles Choruses includes basic historical details about each parent work as well as extract titles subtitles voice types keys durations locations in the original work with page numbers in both full scores and piano vocal scores and exact instrumentation It also lists the publishers that make available the orchestral materials for just the excerpt being programmed independent of the full parent work Until now conductors and orchestra librarians commonly had to first leaf through full scores searching for one elusive three minute aria after another only to then consult multiple publishers catalogues to compile crucial information on all the excerpts proposed for a concert or recording This book constitutes a single source for finding that information In many cases the individual entries include valuable insider information on common performance practice including start and stop points transpositions and conventional cuts Searching for repertoire is made easy with the detailed title index and appendixes devoted to ensemble excerpts all categorized by personnel e g duets trios quartets quintets sextets choruses and language Czech English French German Italian Latin Russian This book is the ideal tool for the working conductor and orchestral librarian as well as music program directors at colleges and conservatories opera companies and symphony orchestras As of October 2015 a new printing of this book has occurred to correct errors in the index A PDF version of the new index is available to previous purchasers of the volume Please contact Rowman Littlefield's music editor for assistance *The American Musical and the Performance of Personal Identity* Raymond Knapp, 2010-06-21 The American musical has long provided an important vehicle through which writers performers and audiences reimagine who they are and how they might best interact with the world around them Musicals are especially good at this because they provide not only an opportunity for us to enact dramatic versions of alternative identities but also the material for performing such alternatives in the real world through songs and the characters and attitudes those songs project This book addresses a variety of specific themes in musicals that serve this general function fairy tale and fantasy

idealism and inspiration gender and sexuality and relationships among others It also considers three overlapping genres that are central in quite different ways to the projection of personal identity operetta movie musicals and operatic musicals Among the musicals discussed are Camelot Candide Chicago Company Evita Gypsy Into the Woods Kiss Me Kate A Little Night Music Man of La Mancha Meet Me in St Louis The Merry Widow Moulin Rouge My Fair Lady Passion The Rocky Horror Picture Show Singin in the Rain Stormy Weather Sweeney Todd and The Wizard of Oz Complementing the author's earlier work The American Musical and the Formation of National Identity this book completes a two volume thematic history of the genre designed for general audiences and specialists alike **Irving Berlin's American Musical Theater** Jeffrey Magee,2012-04-06 Irving Berlin's songs have been the soundtrack of America for a century but his most profound contribution to the nation is to Broadway Award winning music historian Jeffrey Magee's chronicle of Berlin's theatrical career is the first book to fully consider the songwriter's immeasurable influence on the Great White Way Tracing Berlin's humble beginnings on the lower east side to his rise to American icon Irving Berlin's American Musical Theatre will delight theater aficionados as well as students of music and popular culture and anyone interested in the story of a man whose life and work expressed so well the American dream Pick Yourself Up Charlotte Greenspan,2010-09-02 In a career that spanned nearly five decades Dorothy Fields penned the words to more than four hundred songs among them mega hits such as On the Sunny Side of the Street I Can't Give You Anything But Love The Way You Look Tonight and If My Friends Could See Me Now While Fields's name may be known mainly to connoisseurs her contributions to our popular culture indeed our national consciousness have been remarkable In Pick Yourself Up Charlotte Greenspan offers the most complete serious treatment of Fields's life and work to date tracing her rise to prominence in a male dominated world The Great Jazz and Pop Vocal Albums Will Friedwald,2017-11-07 The author of the magisterial A Biographical Guide to the Great Jazz and Pop Singers now approaches the great singers and their greatest work in an innovative and revelatory way through considering their finest albums which is the format in which this music was most resonantly organized and presented to its public from the 1940s until the very recent decline of the CD It is through their albums that Ella Fitzgerald Frank Sinatra Peggy Lee Sarah Vaughan Nat King Cole Judy Garland and the rest of the glorious honor roll of jazz and pop singers have been most tellingly and lastingly appreciated and the history of the album itself as Will Friedwald sketches it can now be seen as a crucial part of musical history We come to understand that at their finest albums have not been mere collections of individual songs strung together arbitrarily but organic phenomena in their own right A Sinatra album a Fitzgerald album was planned and structured to show these artists at their best at a specific moment in their artistic careers Yet the albums Friedwald has chosen to anatomize go about their work in a variety of ways There are studio and solo albums Lee's Black Coffee June Christy's Something Cool Cassandra Wilson's Belly of the Sun There are brilliant collaborations famous ones Tony Bennett and Bill Evans Louis Armstrong and Oscar Peterson and wonderful surprises like Doris Day and Robert Goulet singing Annie
