They mark their days only by the sun and the seasons. When Peggy finds a pair of boots in the forest and begins a search for their owner, she unwittingly begins to unravel the series of events that brought her to the woods, and in doing so, discovers the strength she needs to go back to the home and mother she thought she'd lost. After Peggy's return to civilization, her mother learns the truth of her escape, of what happened to James on the last night out in the woods, and of the secret that Peggy has carried with her ever since.
