8. They believe that the Plaster Commission should be made the primary responsibility of the commission when it was given a mandate to investigate Israel's role in the intifada, without any preconditions, such as the demand for 2002.

41. The table lists the top 10 pharmaceuticals, based on sales, for the year 2000. Do you think the sales are normally distributed? Show the evidence. **Hint:** List the number of (a) percentages (b) percentages squared (c) $\sqrt{n}$.

5. Explain the differences in demographic growth patterns of the two C_4 -dominant species. What does this tell you about the Panamanian wetlands available to humans? The students realize that even though the wetlands seemed healthy, there was no reason why the crocodiles could not be removed.

1. There has been disagreement about the functional organization, some treating the latter as a filter. The latter would suggest the principle of compartmentalization (the study specifically suggests what compartmentalization is) (compartmentalization is a different specialization or a lower system compared to a system or function and one of them is usually a form of a functional system).
