Inside Dope Rufus Davis, 2019-06-21 Have you ever had an in depth talk with someone who has been addicted to drugs Listened to them talk about the utterly inescapable irresistible need to use drugs no matter what the consequences Heard the depravity and self loathing they felt while committing acts of an immoral and often violent nature in pursuit of the drugs they can't resist Inside Dope Surviving Addiction is author Rufus J Davis Jr's searingly honest look at the world of drug addiction It weaves a myriad of subjects related to addiction recovery and life together while methodically walking you through the entire cycle of addiction and recovery Inside Dope is the story of the struggles of one addict and the people he met during his labyrinthine journeys on the roller coaster of addiction It reveals how the families and loved ones of those at various stages of addiction and recovery are also impacted and Davis does not shrink from

providing a crystal clear picture of what can happen to the lives of those the addict loves the most Yet ultimately Inside Dope is an inspiring beacon of encouragement beckoning through the fog to offer hope and a blueprint for recovery from the pernicious blight of addiction Rufus J Davis Jr was born in 1948 on the west side of Chicago Illinois and currently resides on the east coast He finished high school and attended college in Chicago before entering the US Air Force as a Titan II nuclear missile launch crew member for four years before being honorably discharged in 1973 He went on to sell life insurance and own a liquor store and nightclub and an auto repair business He retired from his full time job as a supervisor for a national passenger railroad in 2015

A Father Losing His Daughter to Addiction Anthony M. Varone,2023-06-21 About the Book This story recounts the painful struggles of a daughter s addiction told through her father s eyes It takes the reader on a journey in living and dealing with her addiction This is a story similar to many addicts A Father Losing His Daughter to Addiction will hopefully not only help those struggling with addiction but also help to educate family members and give them hope and ways to cope during the struggle The author hopes the reader can really see the pain his daughter lived with as well as any addict and how this disease destroys lives and families About the Author Anthony M Varone explains My daughter meant everything to me and was my life I loved taking care of her the day she was born Life today is very difficult for me without her I always loved being active and riding my bike or playing golf as well as working out but today that is hard to enjoy because of how lost I find myself I m searching for my way back from her death By going to meetings with my daughter when she was alive and my meetings of Nar non it has opened my mind to see both sides that exist for the addict and their family It has educated me about her life as well as my life

[The Complete Family Guide to Addiction](#) Thomas F. Harrison,Hilary S. Connery,2019-05-03 If you are struggling to help a loved one recover from addiction and to cope with the devastating impact on the whole family you are not alone But until now there has been no single book that gives the millions of families like yours the comprehensive unbiased information you need This expertly written guide addresses the painful questions that spouses parents and grown children face every day Why do addicts make such bad choices How can you find and afford treatment that works and convince your loved one to try it Can relapse be prevented When does being supportive cross the line to enabling Providing science based answers and resources the authors cover crucial emotional financial and legal issues that simply aren t discussed in other books The more your family knows about the myths and realities of addiction the better equipped you will be to overcome it

Nothing Changes Lexi Clyne,2024-11-20 This book is a collection of experiences that I have had working in the mental health and addiction field and also being a sister to someone who has struggled with both It s a therapist s and sister s perspective on how we treat mental health and addiction in America There s lots of colorful language emotions and pain in here and what mental health treatment looks like today Splashed in is how to read FDA labels for medications theories on addiction mental health what involuntary hospitalizations actually look like what me and my family went through with my sister s challenges what it really looks like to work in this

field what detox looks like and hopefully some food for thought for the future therapists of this world Redemption from Addiction Gerard Jerry Egan, 2011-12-27 There are awesome and powerful creative forces that can be fully tapped that will absolutely unleash our dreams and hopes transforming them into a desired reality or these very same forces will send us into the deepest darkest Hell we have ever known If a person fails to understand that they have a huge responsibility to take full possession and control of this great creative power then that failure to take this responsibility will always lead to these forces taking control of the person in an undesirable destructive and potentially deadly manner In other words opportunities and temptations to use drugs or alcohol will present themselves as a direct result of failing to take control of these forces or misusing their power All addictions are a manifestation caused by the poor or improper use of these forces and powers The very Powers that govern the ability for anyone to accomplish anything in their lives for their good are the very same powers that can and will undermine and destroy those efforts This book will give you the essential Eleven Powers and Eleven Arts that will enable you to change your life The use of these Powers and Arts will enable you to take full control of not only your addiction but provide endless opportunities to create and design an entire new Destiny Addicts and alcoholics have inadvertently mastered the principles of success and use those very same concepts to assure their own failure and destruction By forcing yourself to do what you don't want to do enables you to gain hold of and grasp these powerful forces and turn them in the direction of success instead of failure Teach yourself and learn to direct the awesome creative forces within you and learn to turn your Possibilities into Probabilities **Addiction** John Hoffman, Susan Froemke, 2007-03-06 One question that anyone who has witnessed addiction up close inevitably asks is Why can't they just stop For decades the question has confounded addicts their families and the doctors and specialists trying to help them Now it can finally be answered Thanks to major leaps in the scientific understanding of addiction an entirely new portrait of this frightening disease has come into focus The new science tells us that addicts in part are unable to quit using drugs or alcohol because chemical changes in their brains prevent them from doing so In this penetrating look at how addiction works editors John Hoffman and Susan Froemke producers of the HBO documentary series ADDICTION have turned more than two years of research and reporting into a vitally important guide for any family faced with the disease New imaging technology has enabled scientists to peer inside the addicted brain and observe in real time what craving for drugs and alcohol looks like chemically It is now possible to literally see the ways that substances like cocaine heroin and alcohol alter the brain's Stop and Go decision making processes Better scientific understanding has yielded innovations in behavioral therapies while new medications that can be prescribed by family doctors have been clinically proven to reduce craving in alcoholics and opiate addicts The result As **Addiction Why Can't They Just Stop** reports in riveting detail there is new hope for anyone struggling with addiction The stories about scientists doctors researchers and families that face addiction gathered in this book testify to the fact that the tide has turned Yes recovery remains an imperfect process It must be tailored to the needs of the

individual it may take years to achieve remission But armed with the new science based understanding of the disease experts have created treatments that are ever more precise and effective making recovery a realistic goal for all addicts The evidence is in The battle against the addiction epidemic can and should be won *Going Straight* Angela Devlin,Bob
