# ALABASTER SHADOWS

CHAPTER ONE

# Alabaster Shadows Matt Gardner

**William Goodhugh, William Cooke  
Taylor**

## **Alabaster Shadows Matt Gardner:**

Alabaster Shadows Matt Gardner, 2015-12-09 Carter Normandy knows there's something weird about the neighborhood he and his family move into. Maybe it's the physics defying leak in the basement or the way all the adults seem to look down on kids like they're scum. With the help of his new friends, Carter discovers a whole other world alongside his seemingly normal community: a world filled with terrifying monsters. A world the adults of the community already know all about. Now it's up to Carter and his friends to keep these monsters from crossing over into our world or face the dire consequences. A gorgeously illustrated mystery perfect for fans of *Gravity Falls* with just a hint of Lovecraftian horror. **Banana Sunday**

Paul Tobin, Colleen Coover, Rian Sygh, 2018-10-24 *Banana Sunday* the classic story by Eisner Award winning Bandette co-creators Paul Tobin and Colleen Coover is now presented in full color with a brand new introduction and bonus materials. Kirby Steinberg is having a bit of trouble fitting into her new school. Sure there's the usual problems associated with being from somewhere else, but this time the new kid also happens to be the guardian for three talking primates: Chuck the professorial orangutan, Knobby the love-stricken spider monkey, Go Go the befuddled golden gorilla. These primates have learned to speak thanks to the scientific processes of Kirby's father. Or have they? What's their real story? That's what Nickels, Kirby's new best friend and unfortunately dedicated school reporter would like to discover. Can Kirby find time to develop a relationship with Martin the dashing nerd? Steer clear of Skye the high school's 1 pillar of arrogance. Keep Knobby, Chuck, and Go Go from causing untold catastrophes. And above all, will Kirby be able to hide the real origin of these three simians from Nickels? Oh, probably not. **Pizzasaurus Rex**

Justin Wagner, Meet Jeremy Duderman the most extremely awesome scientific mind of his generation. Too bad everyone's too busy bullying him or just generally disliking him to realize it. But that all ends today. Jeremy has invented the Reality Alternative Dimensionator R.A.D. for short, a device that allows Rex Raditude the Pizzasaurus to enter our dimension. He's a guitar shredding pizza loving party animal with only one thing on his mind: BEING TOTALLY RAD DUDE. But is that enough to stop Emperor Buzzkill and his horde of hapless minions who are bent on ending pizza parties, skateboarding, and all things rad? And can poor pitiful Jeremy Duderman quite possibly the dorkiest dude in the universe help Rex in defeating them? Graphic Novels

Michael Pawuk, David S. Serchay, 2017-05-30 Covering genres from adventure and fantasy to horror, science fiction, and superheroes, this guide maps the vast terrain of graphic novels, describing and organizing titles to help librarians balance their graphic novel collections and direct patrons to read-alikes. New subgenres, new authors, new artists, and new titles appear daily in the comic book and manga world, joining thousands of existing titles, some of which are very popular and well known to the enthusiastic readers of books in this genre. How do you determine which graphic novels to purchase and which to recommend to teen and adult readers? This updated guide is intended to help you start, update, or maintain a graphic novel collection and advise readers about the genre. Containing mostly new information as compared to the previous edition, the book covers iconic superhero comics and other classic and

contemporary crime fighter based comics action and adventure comics including prehistoric heroic explorer and Far East adventure as well as Western adventure science fiction titles that encompass space opera fantasy aliens post apocalyptic themes and comics with storylines revolving around computers robots and artificial intelligence There are also chapters dedicated to fantasy titles horror titles such as comics about vampires werewolves monsters ghosts and the occult crime and mystery titles regarding detectives police officers junior sleuths and true crime comics on contemporary life covering romance coming of age stories sports and social and political issues humorous titles and various nonfiction graphic novels
