Huppert Darren Waldron, Nick Rees-Roberts, 2022-07-28 Featuring a lineup of distinguished academics this collection remedies the absence of scholarly attention to French cinematic legend Isabelle Huppert This volume deconstructs Huppert's star persona and public profile through critical and theoretical analysis of her various screen roles from her very early appearances alongside Romy Schneider in *César et Rosalie* Sautet 1972 and Gérard Depardieu in *Les Valseuses* 1974 to a number of celebrated collaborations with high profile European auteurs such as Catherine Breillat Claire Denis Jean Luc Godard Michael Haneke and Joseph Losey and with more popular auteurs such as Claude Chabrol and François Ozon Known for a cerebral internalization of characterization a technical mastery of extreme emotions and a singular brand of icy intellectualism Huppert's performances continue to impress stun and surprise audiences By focusing on several theoretical questions that relate to image identity sexuality and place this volume situates Huppert's star persona in the more practical creative contexts of performance authorship genre and collaboration This volume contrasts complementary critical accounts of her stardom by working across the different periods and territories of her career **Film, Fashion, and the 1960s**

Eugenia Paulicelli, Drake Stutesman, Louise Wallenberg, 2017-09-11 A fascinating look at one of the most experimental volatile and influential decades *Film Fashion and the 1960s* examines the numerous ways in which film and fashion intersected and affected identity expression during the era From *A Hard Day's Night* to *Breakfast at Tiffany's* from the works of Ingmar Bergman to Blake Edwards the groundbreaking cinema of the 1960s often used fashion as the ultimate expression for

urbanity youth and political un awareness Crumbling hierarchies brought together previously separate cultural domains and these blurred boundaries could be seen in unisex fashions and roles played out on the silver screen As this volume amply demonstrates fashion in films from Italy France England Sweden India and the United States helped portray the rapidly changing faces of this cultural avant gardism This blending of fashion and film ultimately created a new aesthetic that continues to influence the fashion and media of today

Sean Connery Andrew Spicer,2022-06-21 Sean Connery was one of cinema s most iconic stars Born to a working class family in Edinburgh he held jobs as a milkman and an artist s model before making the move into acting The role of James Bond earned him global fame but threatened to eclipse his identity as an actor This book offers a new perspective on Connery s career It pays special attention to his star status while arguing that he was a risk taking actor who fashioned an impressive body of work Beginning with Connery s early appearances on stage and television including well received performances in Shakespeare and Tolstoy the book goes on to explore the Bond phenomenon and Connery s long struggle to reinvent himself An Oscar winning performance in *The Untouchables* marked the beginning of a second period of stardom during which Connery successfully developed the character of the father mentor Ten years after his retirement from acting he was still rated as the most popular British star among American audiences Exploring how Connery s performances combine to form an all encompassing screen legend the book also considers how the actor embodied national identity both on screen and through his public role as an activist campaigning for Scottish independence
