The Devil on the Doorstep Annabelle Forest, 2014-08-14 Annabelle Forest was just seven years old when she was inducted into a twisted sex cult by her own mother For the next few years she was brainwashed by the cult s leader Colin Batley who ran a harem of followers from his unassuming cul de sac in Kidwelly Wales Batley ruled the cult with an iron will his twisted ideology based on Aleister Crowley s Book of the Law which informed their day to day lives From the age of 11 Annabelle was repeatedly raped by Batley and threatened with going to hell if she angered the gods by refusing Batley s sick demands Annabelle s mother joined in the sessions and even filmed them Annabelle lived a double life a schoolgirl by day a sex slave at night It might have endured for years had she not fallen pregnant at 17 with Batley s baby In February 2008 she gave birth to a daughter Emily who gave Annabelle a reason to live and hope Now she knew she had to escape especially after Batley forced her into prostitution when Emily was three months old She contacted relatives through Facebook on a computer in the public library and found the courage to report Batley her mother and the other cult members to the police In 2011 her evidence helped convict 48 year old Batley for life on 11 charges of rape and numerous other sexual offences Annabelle s mother was also jailed along with two others in a case that came to be known as the cul de sac cult But Annabelle s story was far from over she had to adjust to a new life away from the rules and rituals of the cult Today she lives a happy and settled life with Emily and her partner but the nightmares of her damaged past will haunt her forever Child of Courage refers to Annabelle herself but also her daughter the child who gave her the chance to hope the will to fight and the courage to live again

Mooney,2005-08-02 The Rhetoric of Religious Cults takes as its departure point the notion that cults have a distinctive language and way of recruiting members First outlining a rhetorical framework which encompasses contemporary discourse analysis the persuasive texts of three movements Scientology Jehovah s Witnesses and Children of God are analysed in detail and their discourse compared with other kinds of recruitment literature Cults distinctive negative profile in society is not matched by a linguistic typology Indeed this negative profile seems to rest on the semantics and application of the term cult itself **The Cambridge**

Morse,2000-02-17 In the eighteenth century virtue was a word to conjure with It called to mind heroic predecessors from the Roman Republic such as Cato and Brutus and invoked qualities of personal integrity selflessness and a concern for the common good which though urgently needed seemed desperately lacking both in the ruthless party struggles of the age of Anne and subsequently in the all pervading political corruption of the Walpole administration When the longed for political saviour failed to materialize it was increasingly felt that if virtue existed at all then it would have to be sought for among the lower orders of society or else in provincial areas where simpler and nobler values might still prevail But with the coming of the French Revolution and Romanticism virtue began to lose its powerful resonances it now seemed naive and simplistic all too ready to deny both the complexities of human nature and the possibility of determination by external cultural forces
