Annes House Of Dreams Anne Of Green Gables:

Anne's House Of Dreams L M Montgomery, 2020-05-19 The fifth novel about Anne Shirley the red haired girl from Green Gables Life seems perfect to Anne Shirley about to marry her childhood friend Gilbert Blythe and set up home with him in her house of dreams on the shores of Four Winds Harbor There are new neighbours to meet and fresh problems to solve But then tragedy strikes and there s huge heartache for the young couple which takes all of their courage and love to overcome Thanks be I m done with geometry learning or teaching it said Anne Shirley a trifle vindictively as she thumped a somewhat battered volume of Euclid into a big chest of books banged the lid in triumph and sat down upon it looking at Diana Wright across the Green Gables garret with gray eyes that were like a morning sky The garret was a shadowy suggestive delightful place as all garrets should be Through the open window by which Anne sat blew the sweet scented sun warm air of the August afternoon outside poplar boughs rustled and tossed in the wind beyond them were the woods where Lover s Lane wound its enchanted path and the old apple orchard which still bore its rosy harvests munificently And over all was a great mountain range of snowy clouds in the blue southern sky Through the other window was glimpsed a distant white capped blue sea the beautiful St Lawrence Gulf on which floats like a jewel Abegweit whose softer sweeter Indian name has long been forsaken for the more prosaic one of Prince Edward Island Diana Wright three years older than when we last saw her had grown somewhat matronly in the intervening time But her eyes were as black and brilliant her cheeks as rosy and her dimples as enchanting as in the long ago days when she and Anne Shirley had vowed eternal friendship in the garden at Orchard Slope In her arms she held a small sleeping black curled creature who for two happy years had been known to the world of Avonlea as Small Anne Cordelia Avonlea folks knew why Diana had called her Anne of course but Avonlea folks were puzzled by the Cordelia There had never been a Cordelia in the Wright or Barry connections Mrs Harmon Andrews said she supposed Diana had found the name in some trashy novel and wondered that Fred hadn t more sense than to allow it But Diana and Anne smiled at each other They knew how Small Anne Cordelia had come by her name

Yes indeed I shouldn't feel like a bride without one. I remember telling Matthew that evening when he brought me to Green Gables that I never expected to be a bride because I was so homely no one would ever want to marry me unless some foreign missionary did. I had an idea then that foreign missionaries couldn't afford to be finicky in the matter of looks if they wanted a girl to risk her life among cannibals. You should have seen the foreign missionary Priscilla married. He was as handsome and inscrutable as those daydreams we once planned to marry ourselves. Diana he was the best dressed man I ever met and he raved over Priscilla's ethereal golden beauty. But of course there are no cannibals in Japan. **Anne's House of Dreams** Lucy
