Chinese pastor teacher Watchman Nee on the subject of practical Christian living at a training session for Christian workers in Kuling Foochow China in 1948 **NEW TESTAMENT CONTEXTUAL COMMENTARY** Dr. Robert R. Seyda, 2024-05-16 Here John advises us that loving one another is not an option or a suggestion it is a commandment John doesn't want any believer to become like Adam and Eve's firstborn Cain That happened because Cain was under the influence of Satan This is therefore a warning not to mess with the world So what if they hate us We are bound for everlasting life in the presence of God That's why death has no power over us And that's why if our thoughts do not tell us that we are guilty we will not be afraid to come to God We can pray to God and we can ask Him to help us He will give us what we ask Him for That is because we obey His commands and we do the things that please Him Furthermore we should all love each other because God makes us able to love other people Everyone who loves other people confirms our claim to be a child of God If anyone says clearly that Jesus is the Son of God God lives in that person And that person lives together with God We know the kind of love that God has for us That's why if we love God we will not be afraid of Him So how do we know that we love God's children We know it when we love God and we do what He tells us to do *So You're Saved, What's Next?* Marylina Green, 2025-06-26 A person gets saved and starts looking around thinking What do I do now Where do I start They get so overwhelmed with decisions what to read first what to do what not to do only to get pulled back into the world and the way the world thinks and does things When you don't know that much about Jesus and what is expected of you or what you think is expected of you you want to start doing things on your own This book shows how God showed the author step by step what she needed to do to manage in this world and it is an ongoing life lesson to be the conqueror she kept hearing others talk about This digs down deep into who you are and what you have in Christ Jesus in simple short devotions getting more intricate in His Word and falling more in love with Him as the God of this universe but also the God that loves you personally This book could be called a life application devotional Some of what was put in it was from the author's experiences and how God showed her how to handle it After all isn't that what needs to come next How to handle life's ups and downs and knowing the Savior that will be
