Another E E Cummings:

AnOther E.E. Cummings E. E. Cummings, Richard Kostelanetz, 2013-09-30 An eye opening selection of Cummings's more avant garde poetry and prose As a poet Cummings was a pioneer not only in linguistic and typographic inventions but also in sound and concrete poetry But his prose is no less experimental he wrote memoirs essays and fiction that are constantly provocative and often radically experimental To read the avant garde Cummings is to read a writer who consistently broke with established norms never to rest and never to have only to grow To not read the avant garde Cummings is to not read Cummings

AnOther E.E. Cummings E. E. Cummings, 1999-12-17 As a poet Cummings was a pioneer His prose is no less experimental he wrote memoirs essays and fiction that are provocative and often radically experimental [Selected Poems](#) e. e. cummings, 1994 One hundred and fifty six poems grouped by theme are accompanied by drawings oils and watercolors by the poet

A Dictionary of the Avant-Gardes, 2013-05-13 A Dictionary of the Avant Gardes recognizes that change is a driving force in all the arts It covers major trends in music dance theater film visual art sculpture and performance art as well as architecture science and culture

Humor in Modern American Poetry Rachel Trousdale, 2017-11-16 Modern poetry at least according to the current consensus is difficult and often depressing But as Humor in Modern American Poetry shows modern poetry is full of humorous moments from comic verse published in popular magazines to the absurd juxtapositions of The Cantos The essays in this collection show that humor is as essential to the serious work of William Carlos Williams as it is to the light verse of Phyllis McGinley For the writers in this volume the point of humor is not to provide comic relief a brief counterpoint to the poem's more serious themes humor is central to the poems projects These poets use humor to claim their own poetic authority to re define literary tradition to show what audience they are writing for to make political attacks and perhaps most surprisingly to promote sympathy among their readers The essays in this book include single author studies discussions of literary circles and theories of form Taken together they help to begin a new conversation about modernist poetry one that treats its lighthearted moments not as decorative but as substantive Humor defines groups and marks social boundaries but it also leads us to transgress those boundaries it forges ties between the writer and the reader blurs the line between public and private and becomes a spur to self awareness

Slapstick Modernism William Solomon, 2016-06-15 Slapstick comedy landed like a pie in the face of twentieth century culture Pratfalls percolated alongside literary modernism throughout the 1920s and 1930s before slapstick found explosive expression in postwar literature experimental film and popular music William Solomon charts the origins and evolution of what he calls slapstick modernism a merging of artistic experimentation with the socially disruptive lunacy made by the likes of Charlie Chaplin Romping through texts films and theory Solomon embarks on an intellectual odyssey from the high modernism of Dos Passos and Williams to the late modernism of the Beats and Burroughs before a head on crash into the raw power of punk rock Throughout he shows the links between the experimental writers and silent screen performers of the

early century and explores the potent cultural undertaking that drew inspiration from anarchical comedy after World War II

Ecocriticism and the Poiesis of Form Aaron Moe, 2019-02-14 Ecocriticism and the Poiesis of Form Holding on to Proteus demonstrates how a fractal imagination helps one hold the form of a poem within the reaches of Deep Time and it explores the kinship between the hazy liminal moment when Sound becomes Syllable and the hazy liminal moment when the sage energy of the Atom made a leap toward the gaze of the first cell to echo Merwin Moe distills his methodology as follows My work I point asserted the aphorism That s what I do To point the project integrates a wide range of interdisciplinary ideas including biosemiotics fractals phi trauma theory the Mandelbrot Set hyperobjects meditative chants Goethe s morphology Ramanujan s summation a spiderweb s sonic properties and Thoreau s sense of the plant like burgeoning force of an Atom in order to open up multiple trajectories In this context the volume foregrounds the insights of poets storytellers including Hillman Snyder Anzald a EEC okpik Whitman Dickinson Gladding Melville Morrison and Toomer for they are most attentive to that liminal moment when the vibratory hum in language and in the cosmos turns kinetic As this volume draws on a wide range of writers from many backgrounds it allows the myriad voices to engage with one another across differences in race gender and ethnicity These writers show us how to echo Dickinson the Freight Of a delivered Syllable can split and how the energy unleashed came from and points us back toward the energy un making the forms of Gaia The starting point for discussing the energy of a poem can no longer begin with the human rather Holding on explores how the poem s energy is but a sliver of a hyperobject massively distributed throughout the cosmos a sage energy that brings forth form *The Cambridge Companion to American Literature of the 1930s* William Solomon, 2018-09-20 This Companion offers a compelling survey of American literature in the 1930s These thirteen new essays by accomplished scholars in the field provide re examinations of crucial trends in the decade the rise of the proletarian novel the intersection of radical politics and experimental aesthetics the documentary turn the rise of left wing theatres popular fictional genres the impact of Marxist thought on African American historical writing the relation of modernist prose to mass entertainment Placing such issues in their political and economic contexts this Companion constitutes an excellent introduction to a vital area of critical and scholarly inquiry This collection also functions as a valuable reference guide to Depression era cultural practice furnishing readers with a chronology of important historical events in the decade and crucial publication dates as well as a wide ranging bibliography for those interested in reading further into the field **Different Drummers** Tad Tuleja, 2020-09-01 Different Drummers explores the disjunction between organizational solidarity and individual pushback in military organizations examining how members of the armed forces express ambivalent attitudes about their service The volume focuses not on antimilitary sentiment but on psychological complexity within a loyal opposition considering examples of creative insubordination and analyzing the oppositional positioning of individuals whose military identity is conflicted This multidisciplinary collection brings in the perspectives of scholars from folklore literary studies psychology and media studies

as well as the first person perspectives of veterans It includes chapters on the vernacular genres of bodylore folksong personal narrative and legend literary items like soldiers memoirs and poetry the artwork of soldier cartoonists and accounts of defying the chain of command in the field Ideally the goal of military basic training is to replace recruits focus on their own individuality with an unquestioned devotion to group solidarity In reality unit cohesion is constantly challenged by humans clinging obstinately to their non collective personalities Different Drummers focuses on those in uniform who feel themselves to be both of the military culture and at odds with it It shows how these loyal discontents find ways of communicating and interacting with others that sometimes defy institutional expectations Contributors Ron Ben Tovim Carol Burke Richard Allen Burns Catherine Calloway James I Deutsch Ronald Fry Angus Kress Gillespie Christina M Knopf Jay Mechling Matthew David Perry Mark C Russell John Paul Wallis *American Writers* Elizabeth H.
