Answer Them Nothing Bringing Down The Polygamous Empire Of Warren Jeffs:

Answer Them Nothing Debra Weyermann, 2011-08-01 When police raided the Short Creek compound of the Fundamental Church of Jesus Christ of Latter Day Saints in 1953 it soon became a political and publicity nightmare and eventually cost the governor of Arizona his job From that point on skittish public officials allowed the polygamist sect to practice its tenants unmolested for the next 50 years and turned a blind eye to child abandonment kidnapping statutory rape incest and massive tax and welfare fraud But then Warren Jeffs a new FLDS prophet escalated the sect's crimes to near madness Activists watched in horror as he used his limitless authority and the resources of a tax supported community in essence a feudal empire on the Utah Arizona border to devastate thousands of lives on cruel whims marrying girls as young as 11 to 60 year old men and driving off teenage lost boys who Jeffs felt threatened his authority Answer Them Nothing is the chilling story of the victims activists prosecutors judges cops and attorneys who in 2001 began the struggle to dismantle the FLDS empire and bring Jeffs and his henchmen to justice It is a mesmerizing journey into one of America's darkest corners a story that stretches over three states and deep into history of the powerful Mormon Church **It's Nothing, Seriously** John

McGreal, 2016-04-21 It's Silence Soundly It's Nothing Seriously and It's Absence Presently continue The It Series published by Matador since The Book of It 2010 They constitute another stage in an artistic journey exploring the visual and audial dialectic of mark word and image that began over 25 years ago In their aesthetic form the books are a decentred trilogy united together in a new concept of The Bibliograph All three present this new aesthetic object which transcends the narrow limits of the academic bibliography The alphabetical works also share a tripartite structure and identical length The Bibliograph itself is characterised by its strategic place within each book as a whole as well as by the complex variations in meaning of the dominant motifs nothingness absence and silence which recur throughout the alphabetical entries that constitute the elements of each text It's Nothing Seriously for example addresses the amusing paradox that so much continues to be written today about nothing The aleatory character of the entries in the texts encourage the modern reader to reflect on each theme and to read them in a new way The reader is invited as well to examine their various inter textual relations across given conventional boundaries in the arts and sciences at several levels of physical psychical social reproduction

Women in Fundamentalism Maxine L. Margolis, 2019-10-10 Women in Fundamentalism examines the striking similarities in three extreme fundamentalist religious communities in their views about and treatment of women Whether Christian Jewish or Muslim the fundamentalist offshoots of these religions subject women to myriad restrictions in their daily lives All three seek to maintain male control over women's bodies women's activities and the people with whom women associate The three also share common ideologies about women's true nature and proper place The specific cases covered in this text are 1 Mormon polygamists specifically the Fundamentalist Church of Jesus Christ of Latter Day Saints FLDS who live in Utah Arizona Texas and isolated enclaves in Canada and Mexico 2 the Satmar Hasidim of Williamsburg
