clashes or other personal preferences don't have to create division. Unity and unison are two entirely different things. The key to practicing biblical unity is to build a bridge and get over it. Drawing insight from key passages of Scripture as well as years of leading a dynamic and diverse congregation, this author explains in very practical ways how we can improve our relationships and deal constructively with our differences and disagreements as followers of Christ. Paul Earl Sheppard has been senior pastor of Abundant Life Christian Fellowship in Mountain View, California, since 1989. Under Paul's visionary leadership, this church has become one of the largest and most racially diverse congregations in northern California. He serves as speaker for Enduring Truth, a popular daily radio program heard on stations and networks around the country. A native of Philadelphia, Paul has studied at the University of Pennsylvania, the Center for Urban Theological Studies, and the Southern California School of Ministry. He holds a Master's degree in Ministry and a Doctorate of Divinity. Paul sits on the board of directors of NRB National Religious Broadcasters and is a highly sought-after speaker and conference leader. He was married to his wife Meredith in May 1982. They have two adult children, Alicia and Aaron.
