Walking the Walk by Faith Mike Ratliff,2005-10

In post modern America the Christian Religion is seen as backward stale and not politically correct. Many churches have attempted to adapt by blending into the liberal landscape. They compromise their message which results in a diluted Gospel or a Easy Believism. It burdens no one with conformity to outdated notions such as discipleship morality and self denial. The adherents to this Cheap Grace blend into society very well and do not appear to be any different than their secular neighbors. Christ does not call people to be a religious a pew sitters. He came to seek and save the lost. Those who respond to His call are His disciples. Walking the Walk by Faith presents Christ's Gospel and the steps to becoming a true disciple of Christ who walks in the spirit. The true disciple of Christ does not conform to society but will stand out with a character that is just like His.
