A Sunlit Absence Silence Awareness And Contemplation:

A Sunlit Absence Martin Laird, 2011-10-28 In his sequel to the best selling *Into the Silent Land* Martin Laird guides the reader more deeply into the sanctuary of Christian meditation He focuses here on negotiating key moments of difficulty on the contemplative path showing how the struggles we resist become vehicles of the healing silence we seek With clarity and grace Laird shows how we can move away from identifying with our turbulent ever changing thoughts and emotions to the cultivation of a sunlit absence the luminous awareness in which God's presence can most profoundly be felt The Difference Nothing Makes Brian D. Robinette, 2023-02-15 This book explores the doctrinal social and spiritual significance of a central yet insufficiently understood tenet in Christian theology creation from nothing In this original study Brian D Robinette offers an extended meditation on the idea of creation out of nothing as it applies not only to the problem of God but also to questions of Christology soteriology and ecology His basic argument is that creatio ex nihilo is not a speculative doctrine referring to cosmic origins but rather a foundational insight into the very nature of the God world relation one whose implications extend throughout the full spectrum of Christian imagination and practice In this sense it serves a grammatical role it gives orientation and scope to all Christian speech about the God world relation In part 1 Robinette takes up several objections to creatio ex nihilo and defends the doctrine as providing crucial insights into the gifted character of creation Chapter 2 underscores the contemplative dimensions of a theological inquiry that proceeds by way of unknowing Part 2 draws from the field of mimetic theory in order to explore the creative and destructive potential of human desire Part 3 draws upon the Christian contemplative tradition to show how the dark night of faith is a spiritually patient and discerning way to engage the sense of divine absence that many experience in our post religious post secular age The final chapter highlights creatio ex nihilo as an expression of divine love God's love for finitude for manifestation for relationship Throughout Robinette engages with biblical patristic and contemporary theological and philosophical sources including among others Ren Girard Karl Rahner and Sergius Bulgakov **Deep Calls To Deep** Thralls, Chad, 2020-11-18 Integrating the work of scholars and teachers of contemplative prayer *Deep Calls to Deep* introduces the theological issues of Christian mysticism and explains the primary practices necessary to experience mystical consciousness **The Oxford Handbook of Meditation** Miguel Farias, David Brazier, Mansur Lalljee, 2021-10-21 Meditation techniques including mindfulness have become popular wellbeing practices and the scientific study of their effects has recently turned 50 years old But how much do we know about them what were they developed for and by whom How similar or different are they how effective can they be in changing our minds and biology what are their social and ethical implications *The Oxford Handbook of Meditation* is the most comprehensive volume published on meditation written in accessible language by world leading experts on the science and history of these techniques It covers the development of meditation across the world and the varieties of its practices and experiences It includes approaches from various disciplines including psychology neuroscience history

anthropology and sociology and it explores its potential for therapeutic and social change as well as unusual or negative effects Edited by practitioner researchers this book is the ultimate guide for all interested in meditation including teachers clinicians therapists researchers or anyone who would like to learn more about this topic **The Blue Sapphire of the Mind** Douglas E. Christie,2013 In *The Blue Sapphire of the Mind* Douglas E. Christie *Using and Enjoying Biblical Greek* Rodney A. Whitacre,2015-11-24 Many who study biblical Greek despair of being able to use it routinely but veteran instructor Rodney Whitacre says there is hope By learning to read Greek slowly students can become fluent one passage at a time and grasp the New Testament in its original language Whitacre explains how to practice meditation on Scripture lectio divina in Greek presenting a workable way to make Greek useful in life and ministry Ideal for classroom use and for group or individual study this book helps students advance their knowledge of Greek and equips them to read the original texts with fluency and depth

Nothing but God L. J. Milone,2019-04-09 Meister Eckhart a now popular medieval German mystic provides the contemporary person with a way of living that centers on nothing but God in everyday life He insists that everyone whatever they have done whatever they believe is one with God Because of this the good Meister sees no opposition between our spiritual and daily lives We access oneness with God through letting go Bliss and freedom flow from giving birth to this divine oneness right where we are This book intends to help us live this everyday mysticism by prayer and letting go Meister Eckhart invites all of us to realize our divine oneness in the midst of raising a family commuting doing our jobs cooking cleaning and scheduling Meister Eckhart preaches that God is one with every one of us in our everyday lives Like There's No Tomorrow Frances Ward,2020-03-01 Christians often don't know how to respond to the climate crisis and messages of possible destruction caused by human activity Frances Ward shows how Christians can live and act with hope and faith in God in the face of eco anxiety *Letters from Nazareth* Richard Carter,2023-08-31 The Nazareth Community based at London's St Martin in the Fields is a contemplative community patterned on monastic life for people from all walks of life Its rule has seven guiding spiritual principles Silence Service Scripture Sacrament Sharing Sabbath Time and Staying Founded by Richard Carter in 2018 it now draws members from across the country and from overseas Letters are a classic genre of spiritual writing and Richard has written a monthly spiritual letter to the Community since its inception Collected here his letters aim to encourage readers to live out a simple rule of life to reflect pray and live with compassion despite the challenges of modern life Rich in biblical reflection poetic meditation and practical guidance for living in demanding times *Letters from Nazareth* abounds in simple yet profound wisdom for our world today *Emptiness* David Arthur Auten,2017-10-18 Emptiness is a strange phenomenon that haunts us in many ways Most of us have felt empty at one time or another though we don't often talk about it We have a sense that something is missing in life This absence extends beyond human experience to the physical world As contemporary science has revealed to us on both a macroscopic and subatomic level curiously the vast majority of the universe is composed mostly of nothing but empty space Emptiness is abundant and

beckons for our attention Drawing on the Judeo Christian wisdom of the Bible in conversation with Eastern and Celtic thought David Arthur Auten offers us an eye opening and profoundly practical examination of the much neglected gift of absence Nothing ironically turns out to be endlessly fascinating and significant
