A Message from the Author During recovery I asked myself If I had a friend or family member who was going to go through the experience of having cancer what would I tell them? What would I want them to know to make this journey easier? Kicking Cancer's Ass A Light Hearted Guide to the Fight of Your Life is the answer to that question. This book's journey began more than 5 years ago. In fact when I was diagnosed with cancer at a young age yes I thought 39 was young I had no idea what to expect. Oh sure I knew that my health would be affected by this disease but I didn't know how. I also didn't know that cancer would change virtually every area of my life at least temporarily. I went into these experiences without much in the way of preparation and stumbled through with the help of family and friends. Along the way I learned how to get through it one step at a time. I hope you find this useful and I wish you well on your journey. Many of us have gone through it and we wish you all the courage, knowledge and support that you need in the days ahead.
