A Way Back Swept Away 3:

Blown Away! Joan Hiatt Harlow, 2010-05-11 It's the summer of 1935 and in the sleepy Florida Keys thirteen year old Jake Pitney's life is quiet and easy. But all of this changes once Jake begins helping out the town's eccentric fisherman Sharkey with work. On a trip to Key West Jake is dumbfounded when Sharkey buys a mule named Jewel and her faithful sidekick a dog named Rudy. Despite their troublemaking ways Jake grows fond of the mischievous duo and their owner. All the while Jake is trying to befriend Mara, the new girl in town whose life has been filled with sadness. During the Labor Day holiday an unpredictable Atlantic hurricane hits Jake's hometown with devastating speed and power, reducing the island to shambles. Jake is determined to find his family along with Sharkey and Mara. But he may need help from some unlikely sources. From the bestselling author of *Star in the Storm* and *Thunder from the Sea* comes a gripping story of strength and determination in the face of uncontrollable circumstances. Based on actual events, Joan Hiatt Harlow's tale explores friendship, loyalty, and ultimately hope.

No Way Back Home Miki Hruska, 2020-04-22 In 1938 when faced with a decision to work at a shoe company in India or stay in Czechoslovakia and wait for another war, Miki Hruska's newly married parents opted to move, thinking they would return home in a few years. But they would not be able to return home for another four decades; instead, home became Calcutta where they raised their family and established a business during a parade of turbulent social and political events. The ill-planned departure of the British from India and their bungled attempts at Partition engendered riots and killings that brought bloodshed to the family's front door. And when the Communists took over the government of West Bengal, they brought labour disruptions that made it next to impossible to operate the family business. This riveting family memoir is set during the cataclysmic events of WWII and its aftermath, giving a harrowing yet heartwarming portrait of life for a migrant Czech family and showing how perseverance and love can sustain people through the darkest of times. *The Show Me Series Boxed Set: Volume 1 (Books 1-3)* Anne Stone, *The Show Me Series Boxed Set Volume 1 Books 1-3 Book 1* Life's Second Chances Angelina Samuels has lost the only job she's ever held. Schwulst,2010-05 Return to Me My Love is an in depth look at the end times prophecies concerning the Jews and Israel as seen through the eyes of St John the Revelator Most books on the Revelation attempt to interpret what John was trying to say but contend that he couldn t find the correct words to describe the visions he was given Such interpretations are not very helpful in the understanding the Revelation or the entire panoply of end times prophecy for that matter The Revelation defines and explains each of the terms it uses if the reader will carefully consider John s words in light of all the prophecies of the Old and New Testaments taken together as a whole This book does exactly that It is a literal approach to the study of Prophecy Over 500 pages of additional research materials are available on line to prove what is contained in the book In Return to Me My Love the author assumes the role of St John as he explains each verse of the Revelation to his reading audience and shows them how it foretells the entire counsel of God concerning the Last Days In this book the reader will be shown how God took the people of Israel as his wife but after bearing with their centuries of apostasy against him he finally wrote them a Bill of Divorce and sent them away

Yet the Lord was not done with Israel and just as he wrote in Hosea he was determined to allure her and eventually bring her back to him We are seeing that story being played out as we watch the modern State of Israel struggle without her Messiah Jesus The Tribulation that is coming in last days Israel will be God s way of testing his Jewish people purging the nation of its apostasy and taking back the remnant of his Chosen People to be his wife hence the title of the book This is a must read and is unlike anything currently available on prophecy Every Christian needs to understand prophecy in order to be ready to assist the Jews when their time of trial begins
