

A movie poster for the film "Desperation Road". The background is a dark, moody scene with red and blue lighting. In the foreground, a woman with blonde hair (Willa Fitzgerald) looks off to the side with a concerned expression. Behind her, a man with long dark hair (Garrett Hedlund) is shown in profile, holding a handgun. In the upper left, an older man with grey hair (Mel Gibson) is shown holding a handgun, looking intensely forward. The title "DESPERATION ROAD" is at the bottom in large white letters, with the cast names above it.

Plane Queer Phil Tiemeyer, 2013-03-12 In this vibrant new history Phil Tiemeyer details the history of men working as flight attendants Beginning with the founding of the profession in the late 1920s and continuing into the post September 11 era Plane Queer examines the history of men who joined workplaces customarily identified as female oriented It examines the various hardships these men faced at work paying particular attention to the conflation of gender based sexuality based and AIDS based discrimination Tiemeyer also examines how this heavily gay identified group of workers created an important place for gay men to come out garner acceptance from their

fellow workers fight homophobia and AIDS phobia and advocate for LGBT civil rights All the while male flight attendants facilitated key breakthroughs in gender based civil rights law including an important expansion of the ways that Title VII of the 1964 Civil Rights Act would protect workers from sex discrimination Throughout their history men working as flight attendants helped evolve an industry often identified with American adventuring technological innovation and economic power into a queer space The Disillusioned D. W. Scott,2004-08-01 THE DISILLUSIONED is a ruthlessly honest memoir of a young man who writes both searingly and disarmingly about the highs and lows the perils and promise of our times THE DISILLUSIONED documents the struggle all too common for recent generations yearning to find a sense of worth and a purpose to their lives against the backdrop of abuses rife in modern society and the duplicity of political systems which favour the rich and powerful despite the hollow rhetoric that promises something else THE DISILLUSIONED encompasses three decades beginning with the impressionable child indoctrinated with the propaganda of Thatcher s Britain and suffering sexual abuse a lack of role models and any sense of belonging It is a gripping story of obsessive ambition discrimination sex scams suicidal impulses alcoholism the search for love loss and the quest for redemption in New Zealand It is the author s story but also the story of a disillusioned silent majority the story of young people bogged down with debt and disillusionment the story too of the increasing dangers facing our children in a materialistic world where family bonds and values are sacrificed for high incomes and status THE DISILLUSIONED is a surprisingly compulsive read about what I call the Misfit Generation the one beguiled at first by the challenge of rational economics and then bewildered by its effects David Scott s odyssey is to find self worth to discover basic human values among the detritus of modern life At the end you can t be sure he s made it But his story matters and he tells it with the pace and directness of a pro Gordon McLauchlan writer and book critic

The Collected Short Stories of Louis L'Amour, Volume 4 Louis L'Amour, 2006-10-31 The fourth volume of Louis L'Amour's collected short stories features more than forty of the master's greatest adventure tales in a keepsake edition to cherish for generations. This unique collection gathers stories guaranteed to thrill and delight readers again and again, establishing why Louis L'Amour is truly America's favorite storyteller. Louis L'Amour's tales of adventure cannot be surpassed for sheer storytelling excitement, and they stand as a testament to his legendary appeal. Here are timeless stories of danger and daring wanderlust and heroism filled with ordinary men and women facing often insurmountable challenges with courage, dignity, honor, and heart. Perhaps never before has a single volume contained so many breathtaking thrills: from the down-on-his-luck fortune hunter who risks everything to save a diamond hunting couple walking straight into a jungle massacre, to the mystery hero aboard a downed commercial plane dangling six hundred feet above certain doom. You'll trek across the harsh steppes of East Asia with an American widow and her young son among a fierce nomadic warrior people, and you'll relive a harrowing tale of survival at sea against thirst, madness, and the elements as a common seaman redefines extraordinary courage as simply doing his job. Whether joining an American captain running a cargo ship through Japanese-controlled waters during World War II only to find his vessel hijacked by traitorous pirates, or marveling at the resourcefulness of a young woman pushed to the limits of endurance as she flees a killer through a primeval forest, these adrenaline-laced tales of mystery, suspense, murder, and survival never let up and will keep your heart pounding long after the final page. From those numbering a few intense pages to novella-length works, the tales in this action-packed anthology bear all the trademarks of the master's touch: the historical accuracy, memorable characters, and timeless themes that have earned Louis L'Amour his unique place among American writers.

Sunday stories, ed. by H. Aspden Hartley Aspden, 1898

Greasy Lake and Other Stories T.C. Boyle, 1986-05-06 Mythic and realist, farcical and tragic, these fifteen fables of contemporary life are so funny and acutely observed that they might have been written for Saturday Night Live. The New York Times from the award-winning author of *The Tortilla Curtain*. Boyle owns a ferocious, delicious imagination, often darkly satirical and always infatuated with language. The Los Angeles Times Book Review In *The Hector Quesadilla Story*, T.C. Boyle writes of an aging Latin ballplayer long past his best stuff who, on his birthday, is put into an endless rotation in a game that goes on forever. In *All Shook Up*, he tells of the doomed affair between his narrator and the sweet, feckless wife of an aspiring Elvis Presley look-alike. In *On for the Long Haul*, he describes the grim scenarios enacted by a credulous survivalist and his family in their nuclear-holocaust-proof haven in the sticks, and in the title story, he portrays a terrifying and violent encounter between a bunch of late adolescent layabouts and a murderous drug-dealing biker.
