nuances other than personal preferences **Journeys and Journals** Farid Abdelouahab,2005 This magnificently illustrated book traces the history of travel dairies from the earliest sometimes crude collections of drawings and notes to volumes that are today considered works of art in and of themselves From scientists on expeditions to soldiers on colonial missions from explorers on the high seas to artists in the jungle readers will find fascinating journals of astonishing beauty some of them never before revealed to the public This volume takes you on a voyage colored with the wonders and the discoveries of the last five hundred years exploring an artistic territory in a constant state of flux Making Books that Fly, Fold, Wrap, Hide, Pop Up, Twist, and Turn Gwen Diehn,2006 Presents instructions for making various kinds of books including those that carry messages across space and time as well as those that save words ideas and pictures Creating Art for All Ages Frances Flicker,Jeanne Richins,Jacqueline G.
