Aaron Owners Manual:

The Owner's Manual for Christians Charles R. Swindoll, 2011-02-14 It's never too late Whether you're a new Christian or you've walked the road for decades it's never too late to find the critical truths that make life make sense We often start out believing that common sense will be enough that we're prepared for the road ahead with our good values and quick thinking It doesn't take long to learn otherwise A broken friendship An obsessive career Financial distress Even empty success We come back to God searching for insight for hope And He provides Nothing can replace studying the Bible Best selling author and pastor Charles Swindoll has spent decades studying its pages and teaching its precepts But if sixty six books seem overwhelming The Owner's Manual for Christians is the perfect starting place a biblical summary of the major truths that anchor the Christian life From grace to freedom these chapters walk the reader through the keys to a life well lived drawn from the Creator of life itself Life is often confusing but it does not have to be impossible Read The Owner's Manual for Christians and find hope for the road ahead

Marley's Ghost Brian Katcher, 2022-08-02 Marley was dead to begin with When Marley died in a freak motorcycle accident no one took it harder than his two nephews Aaron and Kyler Seventeen year old Aaron who was adopted from China via a religious charity worries that the heaven he was taught about is not for sinners like his uncle But how could a benevolent God refuse a nice guy like Marley And if being a nice guy is all that it takes to get into heaven why bother to go to church And is it wrong to even think such thoughts especially now that he's starting to date Vanessa the most faithful girl in the youth group Meanwhile fifteen year old Kyler has lost the only person who ever treated him like a normal kid Always in fragile health Kyler is constantly babied by his family His uncle was the only adult who didn't treat him like he would break Marley encouraged Kyler to take risks to be assertive and to maybe ask out Jessica his long time crush Now that Marley is gone Kyler is doomed to more years of ointments noise cancelling headphones and gluten free snacks How is this fair When closing down Marley's fishing cabin the cousins discover some geographic coordinates that point to a location in a South Carolina swamp They're probably nothing except someone has started following the boys trying to get those papers Something is in that swamp Something Marley buried there Something big Accompanied by Vanessa and Jessica the boys head off on a Maine to South Carolina road trip to discover Marley's legacy and maybe to say good bye to their uncle in their own way Marley might be gone but the adventure has just begun an adventure that will allow Kyler and Aaron to explore what it means to be brave and good An adventure that will teach them what it means to believe and that the most important belief is in themselves Holly Schindler author of the award winning *A Blue So Dark*
