Affectionately Inscribed to the Memory of Elder Frederic W. Evans (Classic Reprint) Anna White, 2015-07-08 Excerpt from *Affectionately Inscribed to the Memory of Elder Frederic W Evans* An adulterous generation could not perceive that they who do the will of the Heavenly Parents constitute the soul's nearest kindred any more than they can comprehend that he who hates or oppresses is a murderer In presenting this collection of heart tokens which were originally intended only for the sacred area of our home the public are taken into confidence as friends We are inspired with the hope that the book will not only display sheaves and fruit of rich harvest sown beside all waters but that it will set forth the character of our noble chieftain who from youth was a most ardent persistent truth disseminator also that it will especially shed some gleams on the inner spiritual life which is the growth of the command that ye love one another a growth so nurtured that the promise of an hundred fold is fulfilled now in this life and the certainty of realizing an enduring relationship is demonstrated We who have attained this bond by one faith and baptism know how to dwell together in unity and to concentrate forces when From love's shining circle the gems drop away The natural selfish mind would plead Why wish to increase the numbers at the risk of admitting adverse elements Why not enjoy a little heaven while life lasts About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works A
