Encyclopedia of African American Education Kofi Lomotey, 2010. The *Encyclopedia of African American Education* covers educational institutions at every level from preschool through graduate and professional training with special attention to historically black and predominantly black colleges and universities. Other entries cover individuals, organizations, associations and publications that have had a significant impact on African American education. The *Encyclopedia* also presents information on public policy affecting the education of African Americans including both court decisions and legislation. It includes a discussion of curriculum, concepts, theories and alternative models of education and addresses the topics of gender and sexual orientation, religion and the media. The *Encyclopedia* also includes a Reader's Guide provided to help readers find entries on related topics. It classifies entries in sixteen categories: Alternative Educational Models, Associations and Organizations, Biographies, Collegiate Education, Curriculum, Economics, Gender, Graduate and Professional Education, Historically Black Colleges and Universities, Legal Cases, Pre-Collegiate Education, Psychology and Human Development, Public Policy, Publications, Religious Institutions, Segregation, Desegregation. Some entries appear in more than one category. This two-volume reference work will be an invaluable resource not only for educators and students but for all readers who seek an understanding of African American education both historically and in the 21st century.

The SAGE Encyclopedia of Intercultural Competence Janet M. Bennett, 2015-03-23. In 1980 SAGE published Geert Hofstede's *Culture's Consequences*. It opens with a quote from Blaise Pascal: "There are truths on this side of the Pyrenees that are falsehoods on the other." The book became a classic, one of the most cited sources in the *Social Science Citation Index* and subsequently appeared in a second edition in 2001. This new *SAGE Encyclopedia of Intercultural Competence* picks up on themes explored in that book. Cultural competence refers to the set of attitudes, practices and policies that enables a person or agency to work well with people from differing cultural groups. Other related terms include cultural sensitivity, transcultural skills, diversity competence and multicultural expertise. What defines a culture? What barriers might block successful communication between individuals or agencies of differing cultures? How can those barriers be understood and navigated to enhance intercultural communication and understanding? These questions and more are explained within the pages of this new reference work.

Key Features: 300 to 350 entries organized in A to Z fashion in two volumes. Signed entries that conclude with Cross References and Suggestions for Further Readings. Thematic Reader's Guide in the front matter grouping related entries by broad topic areas. Chronology that provides a historical perspective of the

development of cultural competence as a discrete field of study Resources appendix and a comprehensive Index The SAGE Encyclopedia of Intercultural Competence is an authoritative and rigorous source on intercultural competence and related issues making it a must have reference for all academic libraries **Marginalized Literacies** Cara M Mulcahy, 2010-06-01
