The Journey of Faith Benedict Groeschel, 2010-04-16 The Good News is still good news We live in a time of constant crisis of anxiety and insecurity We are unsure of who and what to trust no matter how anchored and seemingly untouchable the source The Catholic Church is certainly no stranger to this controversy and for many people it is the very source of one's crisis For all these reasons we ask ourselves the haunting question Why do we believe Father Benedict J Groeschel knows that asking Why believe can be an important and positive step toward deepening one's relationship with Christ and His Church The popular author psychologist and teacher knows firsthand the doubts and questions experienced on every journey of faith as well as the answers people seek Focusing on how the Good News is still good news Father Groeschel offers clear and concise answers about science about Scripture and about the Church itself Renew your faith in God in Christ and in the Church to better weather the storm of secularism skepticism unbelief and the temptations of the world The Good News of the Return of the King Michael T. Jahosky, 2020-09-15

Although many people today reject Christianity for intellectual reasons greater numbers of people are rejecting Christianity because it does not engage their imagination Christians must not only demonstrate that the Christian worldview is true but that it is also good beautiful and relevant The Good News of the Return of the King The Gospel in Middle earth is a book that endeavors to show the truth goodness and beauty of Jesus Christ the gospel and the biblical metanarrative by engaging the imagination through J R R Tolkien's The Lord of the Rings as well as The Hobbit and The Silmarillion In this book I propose that J R R Tolkien's The Lord of the Rings is a story about what Jesus parables are about the good news about the return of the king As a work of imaginative fiction similar to Jesus parables The Lord of the Rings can bypass both intellectual and imaginative objections to the gospel and pull back the veil of familiarity that obscures the gospel for many **My Revision**
