After All This Time:

The Burnings Himanjali Sankar, 2025-01-15 As inexplicable fires rage across the country Shalini receives a frantic call from her first love Akshar a man she hasn't seen in years She rushes to his side only to find him a shadow of his former self broken tormented by regret and wasting away in the decaying grandeur of his ancestral mansion in the hills Soon after Shalini steps through its doors she senses that something isn't right The lonely mansion's older residents linger in eerie ways harbouring secrets as oppressive as the smoke in the air and the few living souls who cross her path Akshar's beautiful but peculiar childhood sweetheart the occasional visitors and even some of the locals are steeped in menace A locked room beckons Shalini while something haunts the corridors at night as if listening to her every move Shalini must confront the mansion's malevolent legacy and her own dark past but doing so could come at an unthinkable price Will she break free or become another ghost in this house of horrors *Igor and the Twisted Tales of Castlemaine* Richard L Markworth, Ian J Walls, 2022-05-31 Whatever happened to Igor Following decades of torture at the hands of his cruel master Victor Frankenstein the once downtrodden and pathetic Igor finally rises up and walks out on Victor in the hope of finding a fulfilling life less ordinary elsewhere Instead something wicked his way came and Igor finds his way to Castlemaine an accursed village nestled deep in the Carpathian Mountains where terrors stalk the waking world and life is more expensive than in London Among the perverted inhabitants and spooky goings on Igor meets Esmerelda the beautiful but occasionally violent daughter of Castlemaine's homicidal innkeeper Together they find themselves in a whole heap of eerie trouble fighting dark forces and demons murderers mediums and monsters spirits and zombies and naturally a very disturbing nun all in the form of five neatly packaged adventures The authors ingenious mix of the classic and the original the subtle and the overt creates a book that hardened horror buffs and sacrificial virgins alike will come back to enjoy again and again Love in a Broken Vessel (Treasures of His Love Book #3) Mesu Andrews, 2013-03-01 Hosea has been charged by God with a difficult task marry a prostitute in order to show God's people the nature and depth of his love for Israel When Hosea goes to Israel to proclaim God's message the prostitute God tells him to marry turns out to be his childhood friend Gomer He finds her broken and abused unwilling to trust Hosea or his God But when marrying Hosea becomes her only choice Gomer does what she's good at she survives Can Hosea's love for God and God's love for Israel heal Gomer's broken spirit With her potent combination of in depth research and masterful storytelling Mesu Andrews brings to life a complex and fascinating biblical story of the power of love and forgiveness in the face of utter betrayal Being Christian - A Novel K. C. Boyd, 2024-03-07 The product of a violent home John Christian Hillcox overcomes long odds to build a Texas megachurch from where he preaches the gospels of Prosperity and End Times while also using the power of his voting bloc as a political cudgel A man of enormous appetites and inadequate self control Pastor Hillcox rallies his church and televangelical flock to oppose everything he considers immoral and detrimental to the United States becoming the godly Christian nation it is meant

to be Being Christian is a gripping psychological tale of a man who utilizes religion to justify his own sins and lies heedless of the consequences for his loved ones his community and the world at large The story of this larger than life but all too familiar character follows him from his crime ridden early adulthood to the prime of his ministry in post 9 11 America Not since the twentieth century s Elmer Gantry has a novel so exposed the religious film flammery and hypocrisy that now threatens to tear apart the American social and political fabric Being Christian is a quintessentially American story based on the ideologies and personalities that make the news every day with their challenges to the Constitutional religious political divide

Book Review Being Christian is a timely and provocative work that reveals a new courageous author and an important not so fictional introduction to the dangers of an American brand of fundamentalism that is corrupting American politics and policies The writing is vivid and straight from the shoulder the narrative is chilling and genuine the ideas are compelling Anyone interested in the impact of religious fundamentalism on American politics will absorb this work As for the Founding Fathers they would say we warned you about this
