With a preface shewing the transcendent excellency of Milton's prose works. To which is added, an original letter [from J. Wall] to Milton, never before published John Milton,1756 **80 Years After the Second World War** Sobhy Fahmy Amin Iskander,2023-10-25 About the Author Sobhy Fahmy Amin Iskander enjoys building churches and partaking in church activities He is an avid fan of all things sports *Viereck's* ,1918 *Lenin's Private War* Lesley Chamberlain,2008-06-24 In the autumn of 1922 Lenin personally drew up a list of some 220 undesirable intellectuals mostly philosophers academics scientists and journalists to be deported before the creation of the Soviet Union in December that year Two ships sailed from Petrograd that autumn taking around seventy of these eminent men and their families away to what became permanent exile in Berlin Prague and Paris Lenin s *Private War* tells the story of these writers journalists and scholars expelled from their homeland It describes the world they left behind and the emigre communities they were forced to join Lesley Chamberlain paints a rich portrait of this chilling historical moment using the journals letters and memoirs of those involved Lenin s *Private War* also tells the story of the fate of ideas not just those of Lenin but also of the men forced to leave their homeland Men like Nicholas Berdyaev Semyon Frank and Sergei Bulgakov made unique contributions to the intellectual life of the twentieth century through their work on creativity and faith They perpetuated core Russian cultural traditions that were banned in the Soviet Union and incomparably deepened Western understanding of Russian history and culture *OPEN/ Pierre's journey after war* Margareth Stewart ,2021-01-28 *OPEN Pierre s Journey after War* is an intimate story of a man whose wife and children are killed during bombardments of France in WWII Devastated and embittered Pierre leaves everything behind and embarks on an odyssey to bury his past in the darkest recesses of his mind The journey which lasts more than forty years involves a sequence of events and coincidences that ultimately provide him new direction and a sense of purpose Pierre feels at home in moving from place to place When his mission in a specific village or town is accomplished he wanders once again observing and savouring whatever life offers His activities are circumstantial and unpredictable Intuitively he remains on the move to reconcile his past while his future stands still He returns to France an old man On a day on a walk past vineyards near his former home Pierre is offered a lift by a couple whose absurd whimsical presence vividly contrasts with whatever solemn tranquillity he d found through his consequential journey and search for redemption Pierre for the first time is inspired to speak of his past **A Dictionary of the Holy Bible ... With a Life of the Author, Etc** John Brown,1818 **The Post-war Novel and the Death of the Author** Arya Aryan,2020-08-07 This book not only discloses and examines different functions and concepts of authorship in fiction and theory from the 1950s and 1960s to the present but it also reveals at least implicitly a trajectory of some of the modes and functions of the novel as a genre in the last few decades It argues that the explicit terms of much of the theoretical and philosophical debate surrounding the concept of

authorship in the moment of High Theory in the 1980s had already been engaged albeit often more implicitly in literary fictions by writers themselves This book examines the fortunes of the authorship debate and the conceptualisations and functions of authorship before during and after the Death of the Author came to prominence as one of the key foci for the moment of High Theory in the 1980s **The Universal Cyclopaedia** ,1900 **Author - Title Catalog** University of California, Berkeley. Library,1963 **The Story of a Life. By the Author of Scenes and Impressions in Egypt and Italy, Etc. [J. M. Sherer.] ... Second Edition** ,1825
