Stephen M. Garrett, Imogen Adkins

Afterimage The Indelible Catholic Imagination Of Six American Filmmakers:

Afterimage Richard Aloysius Blake, 2000 Noted film critic Richard Blake offers a bold proposition Some of the greatest filmmakers of our time look at the world in a characteristically Catholic way Their imagery narratives and moral sensibility show unmistakable signs of a Catholic imagination formed in childhood Though not all retained a traditional Catholic faith this early influence produced an afterimage the image that remains after the stimulus is removed that continues to resonate in their mature art Blake examines the work of six directors Scorsese Hitchcock Capra Ford Coppola and De Palma Though the six made few overtly religious films their work bears the unmistakable signs of a Catholic world view Afterimage enhances our understanding of this Catholic afterimage and encourages recognition of the ways religion influences the imagination and shapes American culture The Routledge Companion to Religion and Film John Lyden, 2009-05-07 The Routledge Companion to Religion and Film brings together a lively and experienced team of contributors to investigate the ways in which this exciting discipline is developing

Psycho-Sexual David Greven, 2013-01-02 Bridging landmark territory in film studies Psycho Sexual is the first book to apply Alfred Hitchcock's legacy to three key directors of 1970s Hollywood Brian De Palma Martin Scorsese and William Friedkin whose work suggests the pornographic male gaze that emerged in Hitchcock's depiction of the voyeuristic homoerotically inclined American man Combining queer theory with a psychoanalytic perspective David Greven begins with a reconsideration of Psycho and the 1956 remake of The Man Who Knew Too Much to introduce the filmmaker's evolutionary development of American masculinity Psycho Sexual probes De Palma's early Vietnam War draft dodger comedies as well as his film Dressed to Kill along with Scorsese's Taxi Driver and Friedkin's Cruising as reactions to and inventive elaborations upon Hitchcock's gendered themes and aesthetic approaches Greven demonstrates how the significant political achievement of these films arises from a deeply disturbing violent even sorrowful psychological and social context Engaging with contemporary theories of pornography while establishing pornography's emergence during the classical Hollywood era Greven argues that New Hollywood filmmakers seized upon Hitchcock's radical decentering of heterosexual male dominance The resulting images of heterosexual male ambivalence allowed for an investment in same sex desire an aura of homophobia became informed by a fascination with the homoerotic Psycho Sexual also explores the broader gender crisis and disorganization that permeated the Cold War and New Hollywood eras reimagining the defining premises of Hitchcock criticism

T&T Clark Handbook of Theology and the Arts Stephen M. Garrett, Imogen Adkins, 2025-04-24 This volume presents the theology arts conversation from a distinctly Christian perspective as a witness of the Gospel of Christ to the world A widespread interest in the historical socio cultural and political embeddedness of theology and the arts permeates it This theme of embeddedness tracks through several overarching and interlocking concerns the relationship between form and content in both art and theology the intensification of the metaphysical and the theological contra materialist and positivist reductionisms the expansion of the epistemological possibilities of the theology art conversation and

a robust understanding of the world as the theatre of God's glory Several chapters have been co-written by theologians and artists as part of demonstrating the kind of conversation that this book commends A thorough going commitment to Scripture is also woven into the many different habits of thought represented in this volume Part I surveys different approaches to the theology arts conversation Part II focuses on how particular art forms bring theological issues to the surface and how theological and denominational traditions shape the making and receiving of the arts Part III delves into key topics in the current theology arts scene and asks how artistic and theological performance can both speak to theological and artistic knowing and help to celebrate and interrogate embodied lived reality *The Look of Catholics* Anthony Burke

Smith,2010-06-22 When John Kennedy ran for president some Americans thought a Catholic couldn't or shouldn't win the White House Credit Bing Crosby among others that he did For much of American history Catholics perceived allegiance to an international church centered in Rome excluded them from full membership in society a prejudice as strong as those against blacks and Jews Now Anthony Burke Smith shows how the intersection of the mass media and the visually rich culture of Catholicism changed that Protestant perception and in the process changed American culture Smith examines depictions of and by Catholics in American popular culture during the critical period between the Great Depression and the height of the Cold War He surveys the popular films television and photojournalism of the era that reimagined Catholicism as an important even attractive element of American life to reveal the deeply political and social meanings of the Catholic presence in popular culture Hollywood played a big part in this midcentury Catholicization of the American imagination and Smith showcases the talents of Catholics who made major contributions to cinema Leo McCarey's Oscar winning film *Going My Way* starring the soothing and Catholic Bing Crosby turned the Catholic parish into a vehicle for American dreams while Pat O'Brien and Spencer Tracy portrayed heroic priests who championed the underclass in some of the era's biggest hits And even while a filmmaker like John Ford rarely focused on clerics and the Church Smith reveals how his films gave a distinctly ethnic Catholic accent to his cinematic depictions of American community Smith also looks at the efforts of Henry Luce's influential *Life* magazine to harness Catholicism to a postwar vision of middle class prosperity and cultural consensus And he considers the unexpected success of Bishop Fulton J. Sheen's prime time television show *Life is Worth Living* in the 1950s which offered a Catholic message that spoke to the anxieties of Cold War audiences Revealing images of orthodox belief whose sharpest edges had been softened to suggest tolerance and goodwill Smith shows how such representations overturned stereotypes of Catholics as un-American Spanning a time when hot and cold wars challenged Americans' traditional assumptions about national identity and purpose his book conveys the visual style moral confidence and international character of Catholicism that gave it the cultural authority to represent America **Christians in the Movies** Peter E. Dans,2009-05-16 *Christians in the Movies* traces the arc of the portrayal in film of Christians from 1905 to the present For most of the first six decades the portrayals were favorable and even reverential By contrast from 1970 on Christians have often been treated with hostility

and often outright ridicule This book explores this shift through in depth reviews and commentaries on 100 important films as well as briefer discussions of about 75 additional Christian themed films Peter E Dans examines various causative factors for this change such as the abolition of the Hays Motion Picture Production Code the demise of the Catholic Legion of Decency and the associated profound societal and cultural changes From a look at the real story behind the Scopes trial to portraits of actors directors and writers most prominently associated with films involving Christians and Christianity Christians in the Movies provides a great resource for those who wish to select films for showing at churches universities or for personal viewing and critical examination of the recent cultural movements and thought **Christianity and Horror**

Cinema Bryan P. Stone,2025-06-25 Christianity and Horror Cinema explores ways that Christian beliefs spiritualities practices and symbols provide the religious and existential depths out of which the monsters of Western horror cinema have emerged arguing that they are in several respects the monsters for which Christians are responsible Horror cinema preys on Christianity s narrative moral cultural and aesthetic traditions reverses them upends them inverts them and offends them But it also reflects and relies on them The book focuses on seven subgenres in the cinema of horror ghosts witches the demonic or Satanic vampires nature horror zombies and psychological horror Each chapter traces the history of that subgenre taking up a theological analysis of ways that horror cinema capitalizes on ambiguities contradictions anxieties and tensions in Christianity for example its treatment of the body nature sexuality women or those it deems pagan or religiously other The author examines a variety of films that are important for thinking about the relationship of Christianity to horror cinema The book will be of interest to scholars of religion theology and film studies **The Gospel According to Star Trek** Kevin C.

Neece,2018-01-01 What s Christian about Star Trek Nothing That s the way most people see it and that certainly seems to be the way the franchise is intended There s no question that the Trek universe is based on a doggedly humanistic worldview and is set in a future time when religion has essentially vanished from Earth If that s the case how can there even be a Gospel According to Star Trek In The Gospel According to Star Trek you ll discover how the continuing voyages of Kirk and company aboard the Enterprise from the Original Series to Star Trek Beyond tell us more about our human quest for God than you ever imagined You ll learn how Star Trek creator Gene Roddenberry s own spiritual quest informed the franchise what he and the series really have to say about God and religion and the amazing image of Christ contained in Star Trek s most popular character You ll also see how Star Trek can help us recover a deeper more fully human gospel that embraces our humanity instead of denigrating it and echoes the call of both Spock and Christ Live long and prosper John 10 10

Street Smart Richard A. Blake,2021-11-21 New York has appeared in more movies than Michael Caine and the resulting overfamiliarity to moviegoers poses a problem for critics and filmmakers alike Audiences often mistake the New York image of skyscrapers and bright lights for the real thing when in fact the City is a network of clearly defined villages each with a unique personality Standard film depictions of New Yorkers as a rush hour mass of undifferentiated humanity obscure the

connections formed between people and places in the City's diverse neighborhoods. Street Smart examines the cultural influences of New York's neighborhoods on the work of four quintessentially New York filmmakers: Sidney Lumet, Woody Allen, Martin Scorsese, and Spike Lee. The City's heterogeneous economic and ethnic districts, where people live, work, shop, worship, and go to school, often bear little relation to the image of New York City created by the movies. To these directors, their home city is as tangible as the smell of fried onions in the stairwell of an apartment building, and it is this New York, not the bustling, glittery illusion portrayed in earlier films, that shapes their sensibilities and receives expression in their films. Richard A. Blake shows how the Jewish enclaves on Manhattan's Lower East Side profoundly influence Sidney Lumet's most noted characters as they struggle to form and maintain their identities under challenging circumstances. Both Woody Allen's light comedies and his more serious cinematic fare reflect the director's origins in the Flatbush neighborhood in Brooklyn and the displacement he felt after relocating to Manhattan. Martin Scorsese's upbringing on Elizabeth Street in Manhattan's Little Italy resonates in his gritty portraits of urban modernity. Blake also looks at the films of Spike Lee, whose adolescence in Fort Greene, a socioeconomically diverse Brooklyn neighborhood, exposed him to widely ranging views that add depth to his complicated treatises on power, culture, and race. Lumet, Allen, Scorsese, and Lee's individual identities were shaped by their neighborhoods, and in turn, their life experiences have shaped their artistic vision. In Street Smart, Richard A. Blake examines the critical influence of place on the films of four of America's most accomplished contemporary filmmakers.

A Sacred Look: Becoming Cultural Mystics Nancy Usselman, 2018-04-18. How should a follower of Christ engage the popular media culture? By becoming a mystic, Sr. Nancy challenges Christians today to delve deep into the rich theological tradition of the church as the root and foundation for recognizing the beauty of God present in all that is truly human. The artists of popular culture sometimes unwittingly seek transcendence while grappling with some of humanity's most profound existential longings. The cultural mystics of today point out those needs of humanity in the culture's artifacts in order to enter into dialogue with those who seek something beyond what this world satisfies. The anthropological sacramental incarnation paradigm presented gives us this ability to take a sacred look of the culture and offer the joy of the Gospel Christ, who is the answer of all humanity's yearnings.

Whispering the Secrets of Language: An Psychological Journey through **Afterimage The Indelible Catholic Imagination Of Six American Filmmakers**

In a digitally-driven world wherever screens reign supreme and instant conversation drowns out the subtleties of language, the profound strategies and psychological subtleties hidden within phrases usually get unheard. Yet, set within the pages of **Afterimage The Indelible Catholic Imagination Of Six American Filmmakers** a fascinating literary prize pulsating with fresh feelings, lies an extraordinary quest waiting to be undertaken. Penned by an experienced wordsmith, this marvelous opus encourages visitors on an introspective trip, softly unraveling the veiled truths and profound influence resonating within ab muscles fabric of every word. Within the mental depths with this emotional review, we shall embark upon a honest exploration of the book is primary themes, dissect its captivating writing type, and succumb to the powerful resonance it evokes heavy within the recesses of readers hearts.

Afterimage The Indelible Catholic Imagination Of Six American Filmmakers Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Afterimage The Indelible Catholic Imagination Of Six American Filmmakers free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Afterimage The Indelible Catholic Imagination Of Six American Filmmakers free PDF files of magazines, brochures, and catalogs, Issuu is a popular

choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Afterimage The Indelible Catholic Imagination Of Six American Filmmakers free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Afterimage The Indelible Catholic Imagination Of Six American Filmmakers. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Afterimage The Indelible Catholic Imagination Of Six American Filmmakers any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Afterimage The Indelible Catholic Imagination Of Six American Filmmakers Books

1. Where can I buy Afterimage The Indelible Catholic Imagination Of Six American Filmmakers books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
