Developing a Successful

Personal & Business Vision Rich Brott, 2009 Dreams worth pursuing do not have to be spectacular or amazing The important thing is living a dream that is really yours Those who are most fulfilled know what they want and go after it Understanding and shaping vision is the basis for any new or existing personal or business career Vision development is a process But first it seems appropriate to ask some questions Why are you here What is your personal purpose in life Why are you doing what you are doing What brought you to this profession Why are you where you are These are all questions you must ask yourself before developing a successful personal vision They same holds true when it comes to a business vision Understanding who you are and what you are all about is pertinent to understanding what it is you want to accomplish **Biblical Principles**

That Create Success Through Productivity Rich Brott, 2008 According to author Rich Brott it is human nature to want something for nothing or at least to receive a maximum amount of return for a minimum amount of effort The old adage notes that we should work smarter not harder There is no doubt that the industrial revolution changed society forever But is there ever a legitimate excuse to not continue working hard But the bottom line is this For you to be successful with consistency you will have to give up the ever present desire to live a life of leisure fulfilling every personal whim and want and choose to remain productive for a good part if not all of your life God honors hard work He honors productivity It is the author's belief that God's method for success is to bless the good productive work ethics of ordinary people Maximizing Your Business Success Rich Brott, 2009 Economic entrepreneurship has a history of success in every area of the world It has sustained families cities and nations as it has created employment opportunities and economic growth Your success in business will be determined by your commitment to gain learn understand and implement knowledge experience ability opportunity capital commitment and do it all with great business passion Success is a planned event and rarely happens without great personal effort Maximizing your business success means that you are effective productive and efficient Never give up In other words trying and failing is a risk one must bear in order to be able to succeed Success is in turning failure into an opportunity Failure is not your enemy Successful people see failure as a seed the seed of success **Advancing a**

Successful Business Rich Brott, 2009 Business focus is an integral part of your ability to advance and build your business into something beyond mediocrity Staying focused on your vision and purpose is very key Nothing significant is ever achieved without focus If it's worth getting it must be the focus of your attention at all times Focus begins with a sense of purpose mission and vision This is your sense of direction your road map your life track for the business It's where you are headed A growing company does not continue without great business productivity timely follow through and effective leadership Advancing a Successful Business is not automatic and will not happen without a steady hand at the helm backed by a great team who stays alert and motivated Business, Occupations, Professions, & Vocations in the Bible Rich Brott, 2008 Since the beginning of time small business has played an important role in all societies and cultures It has been a vital part of community as craftsmen laborers manufacturers buyers and sellers exchange wares and talents From ancient

times to modern times people have lived their lives centered around crafting something of value to use at home and to sell outside of their home Economies have been perpetuated as they centered around commercial activities and commerce From ancient Greece and Ethiopia to ancient India the ingenuity of humans beings and their ability to design craft manufacturer and harvest have kept countries and kingdoms with food on the table This has allowed cities nations and kingdoms to prosper Economic entrepreneurship has a history of success in every area of the world It has sustained families cities and nations as it has created employment opportunities and economic growth
