## **Biblical Eldership Alexander Strauch Study Guide:**

**Biblical Eldership Study Guide** Alexander Strauch, 2000-10-01 Alexander Strauch was not satisfied that the church was following God's plan for leadership. His intense study and search of the scriptures resulted in this fantastic Biblical view of leadership. God's way. You and your leadership will greatly benefit from studying this book. [Biblical Eldership Study Guide](#)

Alexander Strauch, 1997-01-01 For the prospective new elder, this Study Guide provides twelve comprehensive lessons regarding biblical eldership principles. It is designed to be used by the prospective new elder under the direction of a mentoring elder or could also be used in group study. This book is based on *Biblical Eldership*. **Biblical Eldership**

Alexander Strauch, 1991-01-01 *Biblical Eldership, an Urgent Call to Restore Church Leadership* Alexander Strauch, 1988-04-01 **Gospel Eldership** Robert H. Thune, 2016-03-16 Biblical church leadership requires more than good management principles or theological knowledge; it calls for deep personal roots in the gospel. *Gospel Eldership* is a ten-lesson workbook to help pastors develop elders who are strong in the gospel and able to apply it to the real-time needs of the church.

**The Mentor's Guide to Biblical Eldership** Alexander Strauch, Richard Swartley, 1997-01-01 The Mentor's Guide is for the mentoring elder only. Because elders are busy men and many do not have the time or adequate resources to prepare for mentoring, this guide provides the mentoring elder with extensive answers to all the questions in the Study Guide and practical mentoring tips.

**Churchianity**, Author Ronald Seaman is writing *Churchianity* as a solemn and compelling critique of the organized Christian Church. He highlights and explains the primary cause of most of the spiritual apathy which has characterized local churches since the Fourth Century. The root cause involves a fundamental change in church pastoral ministry which the author believes has produced disastrous spiritual results through the centuries. The author portrays the young Christian Church in its first three centuries as prospering spiritually in spite of severe persecution. These early believers met informally in homes as to nurture and disciple each other and enthusiastically evangelized everyone they met. Understandably, Satan was not happy. To frustrate and checkmate this spiritual vitality, the Devil devised a clever strategy. He took advantage of church leaders' willful disobedience of Biblical teaching. Read *Churchianity* and become acquainted with Satan's strategy and its success in transforming the vigor and enthusiasm of the Early Christian into the tragedy and sadness of spectator Christianity. Consider and evaluate the author's solution for restoring lay biblical pastoral ministry in local churches.

**The New Elder's Handbook** Greg R. Scharf, Arthur Kok, 2018-11-20 Pastors and church leaders are in need of mature godly elders to ensure church health, but the training of elders is often entirely missing or badly neglected. What if there were a process to proactively call and train elders? *The New Elder's Handbook* is designed to equip elders with the knowledge, character, and skills the office calls for. It takes church leaders through the development of a vision for ministry, recruitment of elders to carry out that vision, and specific biblical training, providing a way to be intentional about developing elders.
