Lucy Checks In Dee Ernst, 2022-08-16 Dee Ernst's *Lucy Checks In* is a delightful work of romantic comedy about a disgraced hotel manager who travels to Rennes to rebuild a hotel and her own life in the process. Lucia Giannetti needs a fresh start. Once the hotel manager of a glamorous NYC hotel and intimately involved with the hotel's owner, Lucy had her entire future planned out. But when the owner disappears taking millions of dollars with him, Lucy's life as she knows it falls apart. Two years later, forty-nine years old and unemployed, Lucy takes a job in Rennes, France, to manage the Hotel Paradis. She pictures fur quilts and extravagant chandeliers, but what she finds is wildly different. Lucy is now in charge of turning the run-down but charming hotel into a bustling tourist attraction. Between painting rooms, building a website, and getting to know Bing, the irritatingly attractive artist, Lucy finds an unexpected home. But can she succeed in bringing the Hotel Paradis to its former glory? Witty and heartfelt, *Lucy Checks In* is an inspiring and feel-good novel about reclaiming your life, finding love, and creating a home in places you never thought possible.

Pittsburgh Noir Kathleen George, 2025-07-01 *Pittsburgh Noir* roars forth exploring the hidden underworld of what has often been called the most livable city in America. Despite Pittsburgh being labeled the country's most livable city, the fictional citizens populating the 14 high-quality stories in Akashic's noir anthology centered on the Steel City have the same dreams, frustrations, passions, and vices as anyone else. Publishers Weekly: Perfect for adventurous book groups and for travelers seeking the less rosy side of the cities they're planning to visit. Library Journal: Akashic Books continues its groundbreaking series of original noir anthologies launched in 2004 with *Brooklyn Noir*. Each story is set in a distinct neighborhood or location within the city of the book. Brand new stories by Stewart O'Nan, Hilary Masters, Lila Shaara, Rebecca Drake, Kathleen George, Paul Lee, K.C. Constantine, Nancy Martin, Kathryn Miller, Haines Terrance, Hayes, Carlos Delgado, Aubrey Hirsch, Tom Lipinski, and Reginald McKnight. From the introduction by Kathleen

George When the steel business faltered and died the smoky city reinvented itself as a white collar urban site fueled by its thriving universities It had been a place so dark with pollution in the steel days that men carried clean shirts with them to work in order to change during the day Now you can see the hills the rivers the rhythmic skyline and as the cameras are fond of displaying at sports events the city is now glittering and beautiful What is Pittsburgh to noir and noir to Pittsburgh We certainly have our rough streets and grisly murders But dark crime stories depend on something in addition to killing The best examples of the genre revolve around private moralities and private law they are the stories of people pushing against real or imagined oppression In P ittsburgh Noir as in most of the novels and films that gave the genre its name the real story is the dark underbelly of existence the fear and guilt and rebellion and denial in regular people the woman buying groceries the man grilling hot dogs Their secret lives **Deceitful Affection A True Story** Courtney Hernandez,2012-06-06
