Brothers Retribution Peter Kennedy:

Act of Retribution J.P. Phillips, 2010-03-17 My quest for an answer to the riddle of President Kennedys assassination first began in April 1967 following a talk given by Warren Commission critic and best selling author Mark Lane at Michigan State University where I was a graduate student My search has lasted well over twenty years Gathering every scrap of information I could find on the assassination I have arrived at what I believe is the most credible thesis to date As a result of meticulous research I am able to identify probable suspects in what I have come to believe was a far reaching conspiracy which involved not only renegade elements from the CIA and organized crime figures but one which extended to the highest echelons of the U S government By pulling together existing knowledge of the assassination while introducing new evidence my book focuses primarily on six main principals persons of interest their motives and their activities in relation to the assassination and the links that connect them

- 1 LEE HARVEY OSWALD Accused by the Warren Commission In 1964 of being the sole assassin of President Kennedy
- 2 JACK RUBY Dallas night club owner who two days following the Presidents assassination shot and killed Oswald
- 3 CARLOS MARCELLO Reputed crime boss of the New Orleans Dallas Mafia during the time of the assassination
- 4 GENERAL CHARLES PEARE CABELL Deputy Director of the CIA from 1953 to 1962 when he was dismissed by President Kennedy along with other high ranking intelligence officials for the failure of the Bay of Pigs invasion
- 5 EARLE CABELL Younger brother of General Charles P Cabell who was Mayor of Dallas the day President Kennedy was assassinated
- 6 FRED KORTH Fort Worth businessman and banker who was Secretary of the Navy from 1962 to October 1963 when he was forced by President Kennedy to resign for his involvement in the TFX controversy

As to the motives of those individuals involved in the Presidents murder I believe that the assassination was planned and carried out with a dual purpose in mind

- 1 as an act of vengeance by those ex high government officials who were dismissed by the President either for alleged wrongdoing as in the case of Fred Korth or for incompetence as in General Cabells case
- 2 to prevent the Presidents domestic and foreign policies particularly in reference to his stand on the Vietnam conflict from being implemented

Viewed in this light the assassination of President Kennedy was an act of retribution by a group of mean spirited vengeance seeking individuals who acted in the misguided belief that by assassinating this president they were furthering the national interest Notwithstanding his immense popularity with the American people President Kennedy was perceived by his killers to be a clear and present danger to the country and to its interests at home and abroad for several reasons

- for his stand on civil rights and racial equality
- for his attempt to closely regulate the oil and gas industry
- for his desire to normalize relations with Cuba
- for his desire to ease tensions between the superpowers through a reduction in armaments
- for his crackdown on organized crime
- for his stated intention to withdraw U S forces from Vietnam

Removing him from office by political murder therefore excused his killers in their own eyes from any wrongdoing for by killing this President they were convinced that they were acting in the national interest against the seemingly dangerous policies of a

chief executive who if allowed to finish his presidency would lead the nation to ruin A wise mind will never censure anyone for having employed any extraordinary means for preserving a kingdom Believing like Machiavelli that they were acting to preserve and maintain Tales from Boomtown Peter Kennedy,2014 Reveals first hand the issues linked with changes to the social fabric of Australia the jailing of two Premiers and a deputy Premier the ruthless removal of a Premier mid term the election of the nation s first female Premier and the sensational WA Inc Royal Commission Many interviews were conducted including those of key national figures to make this account of how the boom bust West was led into its status as an economic powerhouse of the twenty first century *Robert Kennedy* James Hilty,2000-04 For most of his life Robert Kennedy stood in the shadow cast by his older brother John only after President Kennedy s assassination did the public gain a complete sense of Robert Bobby we called him as a committed advocate for social justice and a savvy politician in his own right In this comprehensive biography James W Hilty offers a detailed and nuanced account of how Robert was transformed from a seemingly unpromising youngster unlikely to match the accomplishments of his older brothers to the forceful man who ran the family business orchestrating the Kennedy quest for political power **Dance of Eagles** J. S. Holloway,2007 Tcana daughter of a cattleherd wife of a prince high priestess of a new religion that will rip apart the ancient city of Tsimbaboue in the 1300s and American TV journalist Rebecca Rawlings caught up centuries later in the remnants of Tcana s faith and a violent war of attrition Rhodesia during the 1970s **John F. Kennedy** Peter Ling,2013-10-30 A lively concise and cutting edge biography of one of the towering figures of 20th century history Of all the US presidents of the post Second World War period John F Kennedy is the most clearly idolized There is a well documented gulf between the public s largely positive appraisal of this glamorous historical figure and professional historians skeptical and mixed evaluation of a president who had only a foreshortened single term in which to make his mark What made JFK the man he was How does he fit into the politics of his time What were his policy goals how did they shift and how far did he manage to advance them What was the Kennedy style of governance Why was he killed and how can we explain the unprecedented outpouring of grief that his death elicited How has his memory evolved since 1963 Acclaimed biographer Peter J Ling explores all these important questions sifting and synthesizing the prodigious mass of Kennedy scholarship to provide readers with a fresh and strongly contextualized portrait of the man and his presidency John F Kennedy will be essential reading for students of modern American history and anyone else seeking to understand the political and private life of America s best known president *The Bulletin* ,1990 **Greed and Grievance** Matthew G Allen,2013-09-30 This work offers important new perspectives on the violence and unrest that gripped Solomon Islands between late 1998 and mid 2003 a period known as the Ethnic Tension Based on in depth interviews and documents associated with the Tension Trials it is the first detailed account of the conflict that engages directly with the voices of the men who joined the rival militant groups These contemporary voices are presented against the backdrop of the socioeconomic and cultural history of Solomon Islands The findings provide a

refreshing corrective to the pervasive framing of the Isatabu uprising and the Malaitan response as essentially criminal and apolitical activities driven by the self interest of those who participated in them Alternative motives for the men who participated in the Solomons conflict are elucidated foremost of which are their own conceptions of history and of the places of their respective peoples in the historical processes of colonization development and nation building Uneven development relative deprivation and rapid socioeconomic and cultural change are highlighted as salient structural causes of the unrest

Matrix for Assassination Richard Gilbride, 2009-10-26 A phantom haunts America the ghost of Dealey Plaza where President John F Kennedy was shot on November 22 1963 In Matrix for Assassination author Richard Gilbride a schoolboy in 1963 who became fascinated with the facts condenses much of the research conducted in recent years after a mountain of new data became available from classified files with the passing of the John F Kennedy Assassination Records Collection Act of 1992 Matrix for Assassination names the names It offers simple and defensible solutions to many of the crimes lasting enigmas Who were the shooters Who forced Ruby to kill Oswald Who orchestrated Kennedys autopsy cover up What actually happened in the book depository Were the Dallas police in on the plot The Pentagon LBJ The CIA Thoroughly referenced with 300 accompanying photographs Matrix for Assassination is bookended by two events which draw it through the tabloids and into the X Files Marilyn Monroe s strange death and JFKs clash with an above top secret UFO cabal Her murder was a prelude to Dallas at the heart of the military industrial complex dwelt a sinister darkness that originated in Nazi Germany

John Pendleton Kennedy Andrew R. Black, 2016-07-11 John Pendleton Kennedy 1795 1870 achieved a multidimensional career as a successful novelist historian and politician He published widely and represented his district in the Maryland legislature before being elected to Congress several times and serving as secretary of the navy during the Fillmore administration He devoted much of his life to the American Whig party and campaigned zealously for Henry Clay during his multiple runs for president His friends in literary circles included Charles Dickens Washington Irving and Edgar Allan Poe According to biographer Andrew Black scholars from various fields have never completely captured this broadly talented antebellum figure with literary critics ignoring Kennedy s political work historians overlooking his literary achievements and neither exploring their close interrelationship In fact Black argues literature and politics were inseparable for Kennedy as his literary productions were infused with the principles and beliefs that coalesced into the Whig party in the 1830s and led to its victory over Jacksonian Democrats the following decade Black s comprehensive biography amends this fractured scholarship employing Kennedy s published work and other writing to investigate the culture of the Whig party itself Using Kennedy s best known novel the enigmatic Swallow Barn or A Sojourn in the Old Dominion 1832 Black illustrates how the author grappled unsuccessfully with race and slavery The novel s unstable narrative and dissonant content reflect the fatal indecisiveness both of its author and his party in dealing with these volatile issues Black further argues that it was precisely this failure that caused the political collapse of the Whigs and paved the way for the Civil War *Musical News*, 1904
