Bruce Springsteen Square Wall:

The Golden Season Madeline Kay Sneed, 2022-05-31 How do you love a place that doesn't love you back Emmy Quinn is West Texas through and through her roots run deep in the sleepy small town of Steinbeck where God sees all and football is king She loves her community but she knows that when she comes out as a lesbian she may not be able to call Steinbeck which is steeped in the Southern Baptist tradition home anymore After a disastrous conversation with her dad Emmy meets Cameron a charismatic whip smart grad student from Massachusetts who hates everything Texas But Texas is in Emmy's blood Can she build a future with a woman who can't accept the things that make Emmy who she is Steve Quinn has just been offered his dream job as head coach of the struggling high school football team the Steinbeck Stangs The board thinks he can win them a state championship for the first time but they tell him he can't accept the position if he's got any skeletons in his closet Steve is still wrestling with Emmy's coming out he loves his daughter but he's a man of faith raised in the Baptist community How can God ask him to choose between his dreams and his own daughter This lush gorgeously written debut is a love letter to the places we call home and asks how we grapple with a complicated love for people and places that might not love us back at least not for who we really are *The Golden Season* is a powerful examination of faith queerness and the deep seated bonds of family and heralds the arrival of a striking new voice in fiction Don't miss Madeline Kay Sneed's next riveting novel *Today Tonight Forever* where one wedding weekend results in a dramatic reunion with layers of love grief and moving on

Ghosts of Houston's Market Square Park Sandra Lord and Debe Branning, 2020 Visitors to Market Square Park can pause on their stroll through the downtown centerpiece for a palpable experience of its past Houston's first four city halls laid their foundations here and relics of the square's heritage remain embedded in the sidewalks of the park Chalk up a chance sneeze on Milam Street to the final ghostly gasp of dust from Robert Boyce's sawpits Step from Congress Street into La Carafe Houston's oldest commercial building for the kind of atmosphere that even deceased bartenders are reluctant to leave From the phantom tailors above Treebeard's to the forgotten mysteries of the town's founding Sandra Lord and Debe Branning resurrect the history humming through the four blocks surrounding Market Square Park *New York Magazine*, 1993-03-22 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

Highway 61 Revisited Gene Santoro, 2004-05-20 What do Louis Armstrong Ray Charles Bob Dylan Willie Nelson Tom Waits Cassandra Wilson and Ani DiFranco have in common In *Highway 61 Revisited* acclaimed music critic Gene Santoro says the answer is

jazz not just the musical style but jazz's distinctive ambiance and attitudes As legendary bebop rebel Charlie Parker once put it If you don't live it it won't come out of your horn Unwinding that Zen-like statement Santoro traces how jazz's existential art has infused outstanding musicians in nearly every wing of American popular music blues folk gospel psychedelic rock country bluegrass soul funk hip-hop with its parallel process of self-discovery and artistic creation through musical improvisation Taking less traveled paths through the last century of American pop Highway 61 Revisited maps unexpected musical and cultural links between such apparently disparate figures as Louis Armstrong Willie Nelson Bob Dylan and Herbie Hancock Miles Davis Lenny Bruce The Grateful Dead Bruce Springsteen and many others Focusing on jazz's power to connect Santoro shows how the jazz milieu created a fertile space where whites and blacks could meet in America on something like equal grounds and indeed where art and entertainment politics and poetry mainstream culture and its subversive offshoots were drawn together in a heady mix whose influence has proved both far-reaching and seemingly inexhaustible Combining interviews and original research and marked throughout by Santoro's wide-ranging grasp of cultural history Highway 61 Revisited offers readers a new look at and a new way of listening to the many ways jazz has colored the entire range of American popular music in all its dazzling profusion
